- Process factors (see box on page 10)
- Scope factors (see box on page 10)

- 1 = no significant problems or limitations
- 2 = relatively minor problems or limitations
- 3 = major problems or limitations.

The fuller the 'web' of the graph, the more serious the problems are in each of the factors' categories.

Notes

No data available for Tajikistan. Data for Serbia and Montenegro relate to the Republic of Serbia (excluding Kosovo) only. No assessment was carried out on corruption and institutions in Turkmenistan.
