### 1. Application

#### 1.1 This Policy applies:

- (i) to the commission or occurrence, or suspected commission or occurrence, of one or more Prohibited Practices in relation to Bank Assets or a Bank Project.
- (ii) when, in implementation of any agreement for the mutual enforcement of debarment decisions in effect between the Bank and a Mutual Enforcement Institution, the Bank either notifies such other organisation of the Bank's debarment decisions or enforces the debarment decisions made by such Mutual Enforcement Institution.
- (iii) when the Bank considers taking action against an individual or entity that has been found to have engaged in a Prohibited Practice or equivalent act by either a final judgment of a judicial process in a member country of the Bank or a finding by the enforcement (or similar) mechanism of another international organisation other than a Mutual Enforcement Institution.

### 2. Reporting of Prohibited Practices and Investigations

#### 2.1 Reporting of Suspected Prohibited Practices

- (i) Bank Personnel, Board Officials (as these terms are defined in the Bank's Codes of Conduct) and experts performing missions for the Bank must immediately report any information regarding a suspected Prohibited Practice in relation to Bank Assets or a Bank Project to the Office of the CCO. Reports may be sent to the Office of the CCO at: **compliance@ebrd.com** and/or may be made anonymously.
- (ii) Alternatively, Bank Personnel (as that term is defined in the Bank's Code of Conduct for EBRD Personnel) may choose to report a suspected Prohibited Practice in relation to Bank Assets or a Bank Project to the Bank's Head of Internal Audit or to the Managing Director, Human Resources. The Head of Internal Audit or the Managing Director, Human Resources, as applicable, shall immediately refer the matter to the CCO to be dealt with in accordance with this Policy.

#### 2.2 Investigation of a Prohibited Practice

- (i) For purposes of this Policy, the date of a Prohibited Practice shall be the date on which the last constituent act or element of the Prohibited Practice occurred.
- (ii) If, in the course of her investigation, the CCO determines that the last constituent act of the suspected Prohibited Practice took place more than ten (10) years prior to the date the suspected Prohibited Practice was reported to the Office of the CCO, no Enforcement Proceedings shall be initiated in relation to the allegations.
- (iii) When investigating a suspected Prohibited Practice or information concerning a Third Party Finding, the Office of the CCO may issue a 'show-cause' letter to the Subject. Such letter will set forth the basis of the CCO's allegations and request that the Subject show cause as to why the Enforcement Proceedings should not be instituted.

### 3. Transmittal to Enforcement Commissioner

#### 3.1 Enforcement Commissioner

The Enforcement Commissioner is the first-tier decision-maker of Enforcement Proceedings (the “**Enforcement Commissioner**”). Terms of reference for the function shall be established by the President.

#### 3.2 Transmittal of a Draft Notice of Prohibited Practice to the Enforcement Commissioner

If, as a result of her investigation, the CCO determines that there is sufficient evidence to support a finding that, more likely than not, the suspected Prohibited Practice was committed, the CCO shall prepare a draft Notice for consideration by the Enforcement Commissioner.

#### 3.3 Transmittal of a Draft Notice of Third Party Finding to the Enforcement Commissioner

If, as a result of her investigation, the CCO determines that a Third Party Finding has relevance and seriousness to the Bank and may warrant an Enforcement Action, the CCO shall prepare a draft Notice for consideration by the Enforcement Commissioner.

#### 3.4 Transmittal of a Notice of a Debarment Decision to the Enforcement Commissioner

Following receipt by the Office of the CCO of a Notice of a Debarment Decision, the CCO shall promptly send that Notice of a Debarment Decision to the Enforcement Commissioner.

### 4. Commencement of Enforcement Proceedings

#### 4.1 Action Following Receipt of Notice of Prohibited Practice

Following receipt of a draft Notice of Prohibited Practice from the CCO in accordance with Section III, Article 3.2, the Enforcement Commissioner may:

In such case, the Enforcement Commissioner shall proceed to issue a Notice of Prohibited Practice to the Subject in accordance with Section III, Article 4.4.
- (ii) Ask the CCO to supplement her draft Notice of Prohibited Practice in order to:
  - (1) provide additional information and/or clarification on certain matters; and/or
  - (2) consider Prohibited Practices different than the one addressed in the draft Notice of Prohibited Practice.

After the CCO has supplemented her draft Notice of Prohibited Practice such that the CCO has provided additional information and/or clarification on the relevant matters and/or considered other Prohibited Practices, as the case may be, the Enforcement Commissioner may take one of the actions described in Section III, Articles 4.1(i) or 4.1(iii), as applicable.

- (iii) Make a determination on a *prima facie* basis that the evidence is not sufficient to support a finding that, more likely than not, the Subject committed the alleged Prohibited Practice or determine that he does not have jurisdiction over the matter. In such event, the CCO may:

- (1) if the Enforcement Commissioner agrees, submit a revised Notice of Prohibited Practice, or
- (2) appeal against such determination pursuant to Section III, Article 7.1.

#### 4.2 Action Following Receipt of a Notice of Third Party Finding

Following receipt of a draft Notice of Third Party Finding in accordance with Section III, Article 3.3, the Enforcement Commissioner may:

(i) Make a determination on a *prima facie* basis that a Third Party Finding has relevance and seriousness to the Bank and warrants an Enforcement Action. In such case, the Enforcement Commissioner shall proceed to issue a Notice of Third Party Finding to the Subject in accordance with Section III, Article 4.5.

(ii) Ask the CCO to supplement her draft Notice of Third Party Finding in order to provide additional information and/or clarification on certain matters. After the CCO has supplemented her draft Notice of Third Party Finding such that the CCO has provided additional information and/or clarification on the relevant matters, the Enforcement Commissioner may take one of the actions described in Section III, Articles 4.2(i) or 4.2(iii), as applicable.

(iii) Make a determination that the Third Party Finding does not warrant an Enforcement Action. In such event, the CCO may:

- (1) if the Enforcement Commissioner agrees, submit a revised Notice of Third Party Finding, or
- (2) appeal against such determination pursuant to Section III, Article 7.1.

#### 4.3 Action Following Receipt of a Notice of a Debarment Decision

Following receipt of a Notice of a Debarment Decision from the CCO in accordance with Section III, Article 3.4, the Enforcement Commissioner shall proceed to issue a Notice of Mutual Enforcement in accordance with Section III, Article 4.6(i), if:

  - (10) if applicable, inform the Respondent that a Suspension Decision has been made against the Respondent and the manner in which the Respondent may contest such decision pursuant to Section III, Article 9.4.
- (ii) Any revisions to the Notice of Prohibited Practice by the Enforcement Commissioner shall require the CCO's written consent prior to its issuance.

(iii) The Suspension Request shall consist of:

(1) a description of the investigation to date; and

### 9.2 Issuance of Suspension Decision

(i) Following receipt of the Suspension Request, or at any time during the course of the Enforcement Proceedings but before the issuance of the Enforcement Commissioner's Decision, the Enforcement Commissioner may (irrespective of whether such action has been requested by the CCO), issue a decision ordering that:

(1) disclosure of such evidence would have a material adverse effect on the investigation; and

(2) the Subject or Respondent would retain the ability to submit a meaningful response to the Suspension Request notwithstanding the withholding of such evidence.

The Enforcement Commissioner shall inform the CCO of his decision and allow the CCO an opportunity to withdraw her Suspension Request if the Enforcement Commissioner determines that such materials should not be withheld.

#### 9.4 Subject's/Respondent's Objection to Suspension Decision

(i) The Subject or Respondent may submit an objection to the Suspension Decision (an “**Objection**”) to the Enforcement Commissioner within thirty (30) days from the date of receipt or deemed receipt of the Suspension Decision (as described in Section III, Article 14.2). The Objection shall include information and arguments as to why, despite the evidence in support of the Suspension Decision, the Subject or Respondent and/or any of its Affiliates, as applicable, ought to remain eligible to become a Bank Counterparty and/or to receive payment in respect of a Bank Project, as the case may be. The Enforcement Commissioner shall forward the Objection to the CCO for a response, if any, within a prescribed delay. For the avoidance of doubt, the Objection shall not stay the CCO's investigation or the Enforcement Proceedings and the Suspension Decision shall remain in place until the Enforcement Commissioner has rendered his decision described in Section III, Article 9.4(ii).

(ii) The Enforcement Commissioner shall consider the information and arguments presented and shall render his decision on whether to terminate or uphold the Suspension Decision within thirty (30) days from the date of his receipt of the Objection and shall promptly notify the CCO and the Subject or Respondent and any named Affiliates of such decision. There will be no appeal against such decision.

### **10. Enforcement Actions and Disclosure Actions**

#### 10.1 Purpose

Enforcement Actions and Disclosure Actions are intended, and shall primarily seek, to assist a Respondent and its Affiliates to address deficiencies in control or compliance functions that may have contributed to the occurrence of a Prohibited Practice and/or to reduce the Bank's operational and reputational risks in the carrying out of Bank Projects with a Respondent and/or any of its Affiliates.

#### 10.2 Enforcement Actions

Enforcement Actions shall include one or more of the following:

(i) Rejection of a proposal for an award of contract to a Respondent in respect of a procurement of goods, works or services.

(ii) Cancellation of a portion of Bank finance allocated to a Respondent but not yet disbursed in respect of a contract for the procurement of goods, works or services.

(iii) Reprimand: a formal letter of censure for a Respondent's actions, which notifies a Respondent that any subsequent violation may result in a higher penalty.

(iv) Debarment: a Respondent and certain of its Affiliates are declared ineligible, either indefinitely or for a stated period of time, to become a Bank Counterparty in any new Bank Project.

(v) Conditional Non-Debarment: a Respondent and certain of its Affiliates are required to comply, within stated time periods, with certain remedial, preventative or other measures as a condition to avoid debarment. In the event the Respondent or certain of its Affiliates (if any) fail(s) to demonstrate its/their compliance with the prescribed conditions within the prescribed time periods, a debarment will automatically become effective for the period provided in the relevant decision.

(vi) Debarment with Conditional Release: the Respondent and certain of its Affiliates are declared ineligible for a stated period of time subject to conditional reinstatement pursuant to which the period of debarment is reduced or terminated if the Respondent and its Affiliates (if any) demonstrate(s) compliance with specified conditions set forth in the relevant decision.

(vii) Restitution: the Respondent is ordered to make restitution to another party or the Bank (with respect to the Bank Resources) in an amount representing the diverted funds or the economic benefit that the Respondent obtained as a result of having committed a Prohibited Practice.

### 10.3 Disclosure Actions

(i) Where a Respondent and its Affiliates (if any) are subject to an Enforcement Action described in Section III, Articles 10.2(iv) or 10.2(vi), the Office of the CCO shall post the Enforcement Action on the Bank's internet site. Such posting shall be made:

(1) if the Enforcement Action is imposed on the basis of an Enforcement Commissioner's Decision and such decision is not appealed pursuant to Section III, Article 7.1, promptly after the expiration of the 60-day deadline prescribed in Section III, Article 7.1 (or any extension granted pursuant to Section III, Article 14.4); or

(2) if the Enforcement Action is imposed on the basis of a Final Decision, promptly after the Final Decision is deemed to have been received by the Respondent pursuant to Section III, Article 14.2.

The posting shall remain on the site for as long as the Enforcement Action is in effect.

(ii) Where a Respondent and its Affiliates (if any) are subject to one or more Enforcement Actions described in Section III, Articles 10.2(i), 10.2(ii), 10.2(iii), 10.2(v) or 10.2(vii) (unless any such Enforcement Action is imposed together with an Enforcement Action described in Section III, Articles 10.2(iv) or 10.2(vi), in which case Section III, Article 10.3(i) shall apply), the Enforcement Action shall not be posted on the Bank's internet site or otherwise published, but may be disclosed, in the form deemed appropriate by the Bank, to any Bank Counterparty and such other third parties, including any international organisation, authority or agency of a member country of the Bank.

(iii) After the Notice of Mutual Enforcement is deemed received by the Affected Party pursuant to Section III, Article 14.2(iii), the Office of the CCO shall post the Mutual Enforcement on the Bank's internet site. The posting shall remain on the site for as long as the Mutual Enforcement is in effect.

(iv) Except for a Final Decision rendered pursuant to Section III, Articles 7.8(iv), 7.8(v) or 7.8(vi), the Enforcement Committee shall publish the full text of each Final Decision on the Bank's internet site.

(v) The Enforcement Committee may, in its discretion, publish its Final Decision in such a way so as to preserve the essential anonymity of any person or entity whose reputation might be adversely affected by such publication.

## 11. Treatment of Affiliates

### 11.1 Enforcement Actions on Affiliates

(i) Enforcement Actions and Disclosure Actions shall apply to the Respondent and to its Subsidiaries established as at the date of the Prohibited Practice giving rise to the relevant Enforcement Action and Disclosure Action, regardless of whether the Subsidiaries are identified, unless the Respondent demonstrates to the satisfaction of the Enforcement Commissioner or the Enforcement Committee, as applicable, that:

- (1) such Subsidiaries are free from responsibility for the Prohibited Practice; or
- (2) the application of the Enforcement Actions and Disclosure Actions to such Subsidiaries would be disproportionate; and
- (3) the application of the Enforcement Actions and Disclosure Actions would not be reasonably necessary to prevent evasion.

(ii) If there is a dispute between the CCO and the Respondent as to whether a particular entity is a Subsidiary of the Respondent, the Enforcement Commissioner or the Enforcement Committee, as applicable, shall consider, among other things, indicia of whether the Respondent directly or indirectly controls the entity.

(iii) Enforcement Actions and Disclosure Actions shall apply to the Parent of the Respondent (the “**Parent Respondent**”) only if the Parent Respondent has been impleaded in the Enforcement Proceeding and the CCO has demonstrated involvement<sup>1</sup> by the Parent Respondent in the Prohibited Practice.

(iv) A different Enforcement Action and Disclosure Action may be applied to the Parent Respondent than that applied to the Respondent.

(v) The treatment of Affiliates shall be informed by the provisions of the MDB Harmonized Principles on Treatment of Corporate Groups, adopted by the Bank on 10 September 2012, or such other policies and guidelines, as may be adopted by the Bank on the same subject matter.

### 11.2 Prevention of Circumvention of an Enforcement Action after the Issuance of an Enforcement Commissioner’s Decision or a Final Decision

(i) If, after the issuance of:

- (1) an Enforcement Commissioner’s Decision and if no Notice of Appeal has been received; or
- (2) a Final Decision,

the CCO determines *prima facie* that an entity which is, or which is seeking to become, a Bank Counterparty (the “**New Entity**”) is a successor or assignee of an entity subject to an Enforcement Action (respectively, the “**Original Entity**” and the “**Original Enforcement Action**”) including through the acquisition of or merger with the Original Entity or is a newly incorporated Subsidiary of the Original Entity, the CCO may apply to the

---

<sup>1</sup> “Involvement” of the Parent Respondent may include wilful blindness and its failure to supervise the Respondent.

Enforcement Commissioner to have the Original Enforcement Action applied to the New Entity.

(ii) The CCO's application to the Enforcement Commissioner (the "**Anti-Circumvention Application**") shall include the relevant Enforcement Commissioner's Decision and the Enforcement Committee's decision (if any).

(iii) Upon receipt of the Anti-Circumvention Application, the Enforcement Commissioner shall apply, *mutatis mutandis*, the process prescribed in Section III, Article 4, Section III, Article 5 and Section III, Article 10 of this Policy, save that the material and arguments to be advanced shall be limited to whether or not the New Entity should be subject to the Original Enforcement Action.

(iv) If the Original Enforcement Action imposes an Enforcement Action described in Section III, Articles 10.2(iv) or 10.2(vi), the New Entity's eligibility to become a Bank Counterparty shall be suspended during the period between the date of the Enforcement Commissioner's receipt of the Anti-Circumvention Application and the final outcome of the Enforcement Proceedings with respect to the New Entity. Such suspension may not be subject to objection.

### 11.3 Prevention of Circumvention of an Enforcement Action subject to Appeal

If, after the issuance of an Enforcement Commissioner's Decision with respect to which an Appeal before the Enforcement Committee is still pending, the CCO determines *prima facie* that a New Entity is a successor or assignee of an entity that is subject to the Original Enforcement Action imposed by the Enforcement Commissioner (including through the acquisition of or merger with that entity), the CCO may apply to the Enforcement Committee to have the New Entity joined in the Appeal.

## 12. Referral to Governmental Authorities and Disclosure to Other Institutions and Agencies

### 12.1 Referral to Governmental Authorities

If the CCO makes a determination on a *prima facie* basis that criminal or regulatory laws of any country may have been violated by any party, the CCO may at any time, recommend to the President of the Bank that the matter be referred to appropriate governmental authorities (including agencies of a Bank's member country). The CCO's recommendation shall identify the information that may be disclosed to such authorities and shall include the opinion of the General Counsel regarding the legal aspects of the recommended referral and, in particular, its potential ramifications for the Bank's status, privileges and immunities. The President shall make the decision on the recommended referral and inform the CCO of his decision.

### 12.2 Disclosure to Co-financiers

If the CCO makes a determination on a *prima facie* basis that there is evidence of a Prohibited Practice in connection with a project co-financed or to be co-financed with another international or multinational organisation, including another development bank, or an agency of a Bank's member country, the CCO may make available to that organisation or agency any information the Bank may have relating to the suspected commission of such Prohibited Practice. Such disclosure shall be made in accordance with an agreement with the relevant organisation or agency covering such disclosure of information. If no such agreement exists, before disclosing such information, the CCO shall obtain an opinion of the General Counsel regarding the legal aspects of the proposed disclosure and, in particular, its potential ramifications for the Bank's status, privileges and immunities.

### 12.3 Reciprocal Sharing of Information with other international organisations

(i) At any time, the CCO or the Enforcement Commissioner may make available to any international organisation any information that the Bank may have relating to the suspected commission of a Prohibited Practice. Such disclosure shall be made in accordance with the agreement with the relevant organisation covering such disclosure of information. If no such agreement exists, before such disclosure is made, the CCO or the Enforcement Commissioner, as applicable, shall obtain an opinion of the General Counsel regarding the legal aspects of the proposed disclosure and, in particular, its potential ramifications for the Bank's status, privileges and immunities.

(ii) Where an Enforcement Action meets the conditions for Mutual Enforcement, a notification of the issuance of the Bank's decision to impose such Enforcement Action shall be sent by the CCO to all of the Mutual Enforcement Institutions, promptly after the issuance of notification under:

(1) Section III, Article 5.7((i), and expiration of the deadline for Appeal, if no Notice of Appeal has been received; or

(2) Section III, Article 7.9(i).

(iii) A notification under Section III, Article 12.3(ii) shall attach a copy of the relevant Enforcement Commissioner's Decision.

## 13. Settlements

### 13.1 Form of a Settlement Agreement

(i) A Settlement Agreement is a signed agreement between the CCO (or a person duly appointed by or on behalf of the CCO) acting on behalf of the Bank, and an individual or entity, whether prior to or after becoming a Respondent, which contains terms that include one or more Enforcement Actions.

(ii) A Settlement Agreement shall contain an acknowledgement by all parties that are subject to it, including the CCO (or a person acting on her behalf), that the Respondent entered into it freely and fully informed of its terms.

### 13.2 Resolution through a Settlement Agreement

A Settlement Agreement may be concluded at any time during the CCO's investigation or the Enforcement Proceedings, but prior to the issuance of an Enforcement Commissioner's Decision.

### 13.3 Stay of Proceedings

(i) Negotiation of a Settlement Agreement does not automatically stay the CCO's investigation or Enforcement Proceedings.

(ii) At any time during Enforcement Proceedings, but prior to the issuance of an Enforcement Commissioner's Decision, the CCO and the Respondent may jointly request in writing that the Enforcement Commissioner stay the Enforcement Proceedings for the purpose of conducting settlement negotiations.

(iii) An initial stay of proceedings may be granted for no longer than sixty (60) days, but may be renewed upon request by the CCO and the Respondent, acting jointly, for another

thirty (30) days, together with written confirmation by both parties that they continue to be actively engaged in negotiating a Settlement Agreement.

(iv) Requests for a stay of Enforcement Proceedings shall be granted as a matter of course.

#### 13.4 Submission and Review of Settlement Agreement

(i) At any time prior to the issuance of the Enforcement Commissioner's Decision, the CCO may submit a Settlement Agreement to the Enforcement Commissioner for review. Such submission shall automatically stay the Enforcement Proceedings then pending with respect to any case specified in the Settlement Agreement.

(ii) The Enforcement Commissioner, in consultation with the General Counsel, shall review the terms of the Settlement Agreement to ensure that they do not violate this Policy, any guidance issued by the Bank in respect thereof or any other Bank policy. The Enforcement Commissioner shall use his best efforts to complete such review within fourteen (14) days from the date on which he received the Settlement Agreement.

(iii) Upon confirmation that the terms of the Settlement Agreement do not violate this Policy, any guidance issued by the Bank in respect thereof or any other Bank policy, the Enforcement Commissioner shall provide clearance on the Settlement Agreement and shall promptly inform the parties subject to the Settlement Agreement. Where the Settlement Agreement includes any of the Enforcement Actions described in Section III, Articles 10.2(iv) or 10.2(vi), the Enforcement Commissioner shall also inform the EBRD Board of Directors thereof. The Settlement Agreement shall become effective immediately upon the issuance by the Enforcement Commissioner of notification of the imposition of the Enforcement Action to the Respondent or, if different under the terms of the Settlement Agreement, as of the date specified therein.

(iv) If the Enforcement Commissioner, in consultation with the General Counsel, finds that the terms of the Settlement Agreement violate this Policy, any guidance issued by the Bank in respect thereof or any other Bank policy, or that, notwithstanding the acknowledgement specified in Section III, Article 13.1(ii), the Respondent did not enter into it freely and fully informed of its terms, the Enforcement Commissioner shall promptly inform the CCO of such finding and the CCO shall in turn so inform the Respondent, whereupon the Settlement Agreement shall automatically become null and void without prejudice to the rights of either party.

#### 13.5 Effect of Settlement Agreements

(i) An Enforcement Action imposed pursuant to a Settlement Agreement shall have the same effect as if the Enforcement Action had been imposed pursuant to an Enforcement Commissioner's Decision other than the right to Appeal and shall be subject to the disclosure requirements specified in Section III, Articles 10.3(i) and 10.3(ii).

(ii) If the Settlement Agreement provides for the definitive disposition of the case whether in whole or in part, the case, or such part thereof as the Settlement Agreement may specify, shall be closed pursuant to the terms specified therein.

(iii) Unless the Settlement Agreement expressly provides otherwise, compliance by the relevant parties with the terms and conditions of the Settlement Agreement shall be deemed the condition for the release of such parties from debarment with conditional release or the condition for non-debarment, as the case may be.

### 13.6 Compliance with Settlement Agreements

Unless the Settlement Agreement expressly provides otherwise, a final and non-appealable determination as to the compliance by the parties with the terms and conditions of the Settlement Agreement, or any disagreement between the parties as to the interpretation or performance thereof, shall be made by the Enforcement Commissioner.

## 14. Administrative Matters

### 14.1 Notices and Addresses

(i) All notices and submissions relating to this Policy shall, except where otherwise stated, be in writing.

(ii) The Respondent's address for delivery shall be the address designated as such by the Respondent in writing to the Enforcement Commissioner or the Enforcement Committee, as applicable, or otherwise, the latest address of the Respondent's place of business (in case of an entity) or residence (in case of an individual) that the CCO has in its possession as a result of her investigative activities.

(iii) At any time during Enforcement Proceedings, the Respondent may notify the Enforcement Commissioner or the Enforcement Committee, as applicable, that it wishes to receive all subsequent correspondence via email, in which case the Respondent shall provide the email address to which all subsequent correspondence shall be sent until further notice by the Respondent to the contrary.

(iv) The Affected Party's address for delivery of the Notice of Mutual Enforcement shall be such party's address specified in the Notice of a Debarment Decision.

### 14.2 Delivery and Deemed Receipt

(i) The Enforcement Commissioner and the Enforcement Committee, as applicable, shall maintain records establishing the dates of delivery, receipt and/or refusal (as applicable) of the various notices, submissions or decisions associated with an Enforcement Proceeding to Subjects, Respondents and Affected Parties at their respective addresses as established in Section III, Article 14.1.

(ii) The date of receipt by a Subject or by a Respondent shall be deemed to be:

(1) the fourth (4<sup>th</sup>) day following the date on which the relevant notice, submission or decision was sent by registered mail or equivalent system, or by courier, to the Subject or Respondent's address (as described in Section III, Article 14.1(ii)); or

(2) if the Respondent has sent a notification of email address pursuant to Section III, Article 14.1(iii), the first (1<sup>st</sup>) day following the date on which the relevant notice, submission or decision was sent to the email address provided by the Respondent.

Such date of deemed receipt shall be used for calculating the applicable delays and the expiration thereof.

(iii) The date of receipt by an Affected Party shall be deemed to be the tenth (10th) day following the date on which the Notice of Mutual Enforcement was sent by regular mail to the Affected Party's address.

(iv) If a Respondent refuses delivery of the relevant notice, submission or decision, the date of such refusal shall be deemed as the date of receipt of such document by the Respondent.

(v) With respect to the delivery of a Notice of Prohibited Practice, a Notice of Third Party Finding and/or of a Suspension Decision, if the address of an individual or entity sought to be made a Respondent is unknown or fictitious, the Enforcement Commissioner shall use reasonable efforts to cause that individual or entity to become aware of the relevant notice or decision. In such circumstances, the date of the last such effort by the Enforcement Commissioner shall be deemed to be the date of constructive notice by such individual or entity. For purposes hereof, “constructive notice” shall refer to the presumption that the individual or entity sought to be made a Respondent has knowledge of the issuance of the relevant notice, submission or decision by virtue of the efforts to notify that individual or entity and is to be deemed to be in receipt thereof.

(vi) The date of receipt of all Enforcement Proceedings and relevant notices by the CCO shall be deemed to be the first (1st) day following the date on which the relevant notice, submission or decision was sent to the CCO by the Enforcement Commissioner or the Enforcement Committee, as applicable.

(vii) Where a dispute arises as to the date at which a document is received or deemed to have been received, the matter shall be decided by the Enforcement Commissioner or the Enforcement Committee, as applicable. The Enforcement Commissioner’s decision with respect to the date of deemed receipt is not subject to appeal.

#### 14.3 Computation of Time

Unless stated otherwise, the term "days", as used in this Policy, means calendar days, including weekends and holidays. If the last day of any period of time prescribed by this Policy falls on a weekend or on another day on which the Bank's Headquarters in London, England is not open for business, the period shall run until the end of the next day on which the Bank's Headquarters is open for business.

#### 14.4 Extensions of Time

Upon request and for good cause shown, the Enforcement Commissioner or the Enforcement Committee, as applicable, may, as a matter of discretion, grant reasonable extensions of any deadline set forth in this Policy or in the relevant notice. The Respondent and the CCO shall not have an automatic right to the extension of any deadline.

#### 14.5 No Right to Discovery

Except as expressly provided for in this Policy, the Respondent shall not have the right to review or obtain any information or documents, either related or unrelated to any Enforcement Proceedings in which the Respondent is a party, and which may be in the ownership, possession or control of the Bank. The Respondent shall not have the right to discover the identity of any individual who has provided information to the Bank and who has specifically requested that his identity be kept confidential.

#### 14.6 Use of Terms

Unless the context otherwise requires, any term used in this Policy in the singular includes the plural, and the plural includes the singular; pronouns of a particular gender include all other genders. In addition, reference to “including” or to a similar term will be understood not to be of a limiting effect.

#### 14.7 Reference and Headings

The headings of articles, sections and sub-sections of this Policy are for ease of reference only and do not constitute substantive parts of this Policy for purposes of interpretation of the text.

#### 14.8 Language of Submissions

All written materials submitted to the Enforcement Commissioner or the Enforcement Committee, and all oral representations made before the Enforcement Committee shall be in one of the official languages of the Bank, except that exhibits may be in their original language with the relevant parts translated into an official language of the Bank.

### **15. General Provisions**

#### 15.1 Reservation of the Bank's Privileges and Immunities

Nothing in this Policy shall be considered to alter, abrogate, or waive the Bank's immunities and privileges as set forth in the Agreement Establishing the Bank, international convention or established under applicable national or international law.

#### 15.2 Questions on Interpretation

If any question arises as to the interpretation of any provision of this Policy, the CCO, the Enforcement Commissioner or the Enforcement Committee, as the case may be, may consult the General Counsel for advice and the General Counsel's interpretation shall be binding.

#### 15.3 Limitation on the Sharing of Information

Notwithstanding any other provisions of this Policy, the sharing of information contemplated herein shall be subject to the limitations of the Bank's policies on disclosure of and access to information of the Bank, other policies governing the Bank's use and confidentiality of information, the contractual obligations of the Bank with outside parties, and to other relevant considerations in such policies and contracts.
