| 16. The CCO received a complaint   | 6 June 2007   | The CCO concluded that      |
| from an individual claiming to be as   |               | individual's complaint      |
| well affected by the BTC project.  |               | was in relation with the    |
|  |               | BTC project and its         |
|  |               | substance was               |
|  |               | reasonably related to       |
|  |               | ,                           |
|  |               | the complaint raised by     |
| 17 The 000 had a little and a l | / I 2227      | the Affected group.         |
| 17. The CCO decided to proceed to  | 6 June 2007   |                             |
| a Joinder of complaints, pursuant to   |               |                             |
| IRM, RP 13   |               |                             |
| 18. A Notice of Joinder of complaint   | 8 June 2007   | The Affected Group's        |
| was sent to the representatives of   |               | representatives will        |
| the Affected Group   |               | henceforth represent        |
|  |               | the individual and          |
|  |               | assimilate his complaint    |
|  |               | to theirs. The affected     |
|  |               | group representative        |
|  |               |                             |
|  |               | will therefore represent    |
|  |               | and act for the benefit     |
|  |               | of all.                     |
| 19. A Notice of Joinder of complaint   | 18 June 2007  |                             |
| was sent to BTC's representatives  |               |                             |
| 20. Notice of time extension sent to   | 19 September  |                             |
| the Authorised Representative of   | 2007          |                             |
| the Affected Group, pursuant to  |               |                             |
| IRM, RP 14   |               |                             |
| 21. Problem-solving Initiative   | 21 September  | Recommendation from         |
| ("PSI") Report submitted to the  | 2007          | CCO that a PSI should       |
|  | 2007          |                             |
| President for consideration and  |               | not be initiated on the     |
| decision (RP45)  |               | basis that inter alia it is |
|  |               | unlikely to have a          |
|  |               | positive result/            |
|  |               | elements of the             |
|  |               | complaint cannot be         |
|  |               | de-linked from ongoing      |
|  |               | court action. (RP43)        |
| 22. President decides under RP45   | 6 November    | 110.1 00.011 (11 10)        |
| (1) to accept the recommendation   | 2007          |                             |
| 1  | 2007          |                             |
| of the CCO as contained in the PSI   |               |                             |
| Report and (2) not to conduct a PSI  | 10.11         |                             |
| 23. Authorised Representative of   | 12 November   | Processing of the           |
| the Affected Group and the   | 2007          | complaint under the         |
