³ The number of projects to which the EBRD made commitments in the year.

⁴ Annual Bank Investment (ABI) is the volume of commitments made by the Bank during the year. This includes: (i) new commitments (less any amount cancelled or syndicated within the year); (ii) restructured commitments; and (iii) amounts issued under the Trade Facilitation Programme (TFP) during the year and outstanding at year-end.

⁵ Annual mobilised investment is the volume of commitments from entities others than the EBRD made available to the client due to the Bank's direct involvement.

⁶ Total project value is the total amount of finance provided to a project, including both EBRD and non-EBRD finance, and is reported in the year in which the project first signs. EBRD financing may be committed over more than one year, with Annual Bank Investment reflecting EBRD finance by year of commitment (see footnote 4). The amount of finance to be provided by non-EBRD parties is reported in the year the project first signs.
