Section IV: Scope

1. Staff Council – general

(a) Section 11 of the Staff Regulations provides for the right of Staff Members to associate in order to present their views to the President and the Board of Directors through their representatives on matters pertaining to personnel policies, their conditions of service, and the establishment of procedures for the consideration of complaints and grievances of individual persons on the staff of the Bank.

(b) The Staff Council is a body elected by Staff Members and the SC Organisational Documents provide that it shall foster a sense of common purpose among Staff Members, promote and safeguard the rights, interests and welfare of Staff Members and represent the collective interests of Staff Members as a whole or groups of Staff Members and make representations to the management of the Bank on issues that concern such collective interests of Staff Members as a whole or groups of Staff Members.

(c) The management of the Bank recognises that the Staff Council has an important role in making representations on issues that concern Staff Members as a whole or groups of Staff Members.

(d) Further to the provisions of paragraphs 1(b) and 1(c) above, the Staff Council shall not involve itself in formal complaints by individual Staff Members that do not concern the collective interests of Staff Members as a whole or groups of Staff Members.

(e) The Staff Council and the management of the Bank shall engage in respect of the consultation process set out at paragraph 6 below. In order to facilitate the role of the Staff Council as envisaged under Section 11 of the Staff Regulations, the working arrangements set out at the following paragraphs of this Directive shall be followed.

2. Staff Council – working arrangements – general

(a) The Bank’s management and the Staff Council commit to a constructive and respectful working relationship in which open dialogue and expression of diverse views is encouraged.

(b) As a condition for receiving information of a confidential nature from the Bank’s management regarding matters covered by this Directive, the Staff Council shall be obliged to respect the secrecy of, and not to divulge, any fact or information of confidential nature brought to their knowledge in the exercise of their duties save when seeking advice from external consultants in relation to their duties as Staff Council. In such instance, the Staff Council shall make appropriate arrangements for any such external consultants to be bound by confidentiality obligations.
(c) Engagement in Staff Council Activity shall be considered to be a Protected Activity for the purposes of the CDRPs, and accordingly Retaliation because of such engagement is prohibited.

3. Staff Council – working arrangements – Staff Council Representatives

(a) Subject to the below provisions, Staff Council Representatives shall be afforded the time needed to carry out their duties as staff representatives, including but not limited for their own internal meetings or those held with Bank management. The time devoted to fulfilling their duties as Staff Council Representatives, including whilst travelling on Staff Council business, shall be deemed working time, and shall fall within the following overall limits (to be assessed and reviewed from time to time by the Bank’s management in collaboration with the Staff Council):

i. Chair: Between 40% and 50% of their FTE role;
ii. Vice-Chairs: Between 30% and 40% of their FTE role;
iii. Remaining Staff Council Representatives: Up to 25% of their FTE role.

(b) The time allocation referred to in paragraph 3(a) above shall be acknowledged and accommodated by the line manager of each Staff Council Representative and shall be taken into account in the setting of annual objectives. Any decisions regarding salary increases, performance ratings and/or performance-based compensation for Staff Council Representatives shall not be impacted by the consequent reduced time that they spend carrying out their regular non-Staff Council employment activity as Bank Staff Members.¹

(c) The Bank’s management shall collaborate with the line managers of Staff Council Representatives in relation to the accommodation of the time allocation referred to at paragraph 3(a) above. An assessment shall be made by the Bank’s management, on a case-by-case basis and in collaboration with such line managers, as to whether any of the line managers may require additional resources, in light of the time allocations referred to in paragraph 3(a) above.

4. Staff Council – working arrangements – facilities and resources

(a) Subject to paragraph 2(b) above, Staff Council Representatives shall be entitled to reasonable use of the Bank’s facilities to disseminate to Staff Members as a whole or groups of Staff Members any communication (including but not limited to emails and intranet posts and articles) connected with the performance of their duties. Staff Council Representatives shall be entitled to consult all or any group of Staff Members, in writing or by convening a meeting.

¹ By way of example, in the event that a Staff Council Representative spends 25% of their FTE role undertaking their Staff Council role and 75% of their FTE role undertaking their non-Staff Council role: (i) their annual objectives shall be adjusted to take into account the reduced amount of time spent on their regular non-Staff Council employment activity; and (ii) decisions regarding salary increases, performance ratings and/or performance based compensation will be based entirely on the time spent on the regular non-Staff Council employment activity (with no impact or reduction in relation to the time spent on the Staff Council role).
The Staff Council may prepare communications for distribution to Staff Members as a whole pursuant to paragraphs 4(a) above and/or 7(j) below, subject to any confidentiality restrictions.

The Staff Council shall receive reasonable resources to enable it to carry out its mandate (as set out in this Directive), including a permanent resource responsible for administrative management of all aspects of Staff Council activities, with the requisite facilities and equipment.

Any additional resource (for example in the form of a secondee position, or short-term contract position), reasonably required by the Staff Council shall be agreed upon between the Staff Council and the Bank’s management each year following the Staff Council elections.
