

**Business Sector:** NUCLEAR SAFETY

**Date of award:** 18/05/2018

**Project Country /ID-Name:** BULGARIA-Kozloduy -KIDSF-17149

**Tender and lot number(s):**

Rehabilitation of Belmeken Pumped-Storage Hydro Power Plant, Sestrimo Hydro Power Plant and Momina Klisura Hydro Power Plant

**Duration of the contract awarded:** 28 months

**Summary scope of contract awarded:**

Design, manufacture, delivery, installation, designer supervision, setting, testing and commissioning of the Facilities regarding:

- Belmeken Pumped Storage Hydro Power Plant:

Local automation equipment and oil pressure systems for control of spherical valves and their auxiliary valves, local automation equipment and oil pressure systems for control of mechanical brakes, nozzles, needles, deflectors and hydraulic cylinders of the deflectors, unit excitation systems, local automation equipment and oil pressure system for control of the gear-type couplings, speed governors and work stations, control systems and generator circuit breakers.

- Sestrimo Hydro Power Plant:

Local automation equipment and oil pressure systems for control of the spherical valves and their auxiliary valves, local automation equipment and oil pressure systems for control of mechanical brakes, nozzles, needles, deflectors and hydraulic cylinders for the deflectors, unit excitation systems, speed governors and work stations, control systems and service water units (pump and motor) for generator cooling.

- Momina Klisura Hydro Power Plant:

Local automation equipment and oil pressure systems for control of the spherical valves and their auxiliary valves, unit excitation systems, speed governors and work stations, control systems, service water units (pump and motor) for generator cooling, hydraulic cylinders for guide vanes and turbine discharge valves, oil-free self-lubricating bearing elements to the turbines and spherical valves.

**Name of Tenderer(s) and Tender prices as read out at Tender Opening:**

Consortium EDF - LITOSTROJ - OMEXOM	25 632 185.00 EUR
ANDRITZ HYDRO GmbH	24 997 185.00 EUR
VOITH - ABB Consortium	28 223 599.00 EUR
Consortium GE HYDRO FRANCE - GE RENEWABLE AUSTRIA AND COMELEX	22 619 600.00 EUR

Consortium KONČAR KET - ČKD BLANSKO - RUDIS 19 997 641.97 EUR

**Name of Tenderer(s) and evaluated prices of each evaluated Tender:**

Consortium EDF - LITOSTROJ - OMEXOM 25 721 685.99 EUR

ANDRITZ HYDRO GmbH 25 159 687.10 EUR

VOITH - ABB Consortium 29 514 060.96 EUR

Consortium KONČAR KET - ČKD BLANSKO - RUDIS 19 997 642.45 EUR

**Name of Tenderers rejected and reasons for rejection:** Consortium of GE HYDRO France - GE RENEWABLE Austria and COMELEX France - The tenderer has failed preliminary acceptance due to missing data on most critical items of the scope and non-compliance with Tender requirements regarding Association Agreement.

**Name of Winning Tenderer and Price offered:**

Consortium KONČAR KET - ČKD BLANSKO – RUDIS 19 997 642.45 EUR
