Name of Tenderers who did not pass post-qualification:

N/A

Name of Tenderers who did not pass First Stage Tender:

SIVECO S.A. (Romania)

Reasons:

The Tender was evaluated as incomplete and non-responsive due to the following material omissions:

- According to submitted tender the Tenderer failed to comply to the following mandatory qualification criteria “successful experience as prime contractor in execution of at least two projects of a nature and complexity comparable to proposed contract within the last 4 (four) years”. According to the Response to Clarification Questions No 1, answered question no.7, the term “successful experience” means at least two completed contracts performed by the Tenderer for beneficiary companies (Client/Employer) during the last 4 (four) years, which the Tenderer doesn't have.
