International Master in Public Procurement Management

2020-21 ACADEMIC YEAR

The University of Rome “Tor Vergata” is now launching the call for applications for the 9th Edition of IMPPM.

The Master is a full time, advanced, postgraduate Program sponsored by the European Bank for Reconstruction and Development (EBRD) with the support of The Central European Initiative (CEI) and the Italian Ministry of Economy and Finance (MEF) and with the contribution of African Development Bank (AfDB), Islamic Development Bank (IsDB) and other International Financial Institutions.

The one-year Master program usually includes classroom lectures held in Rome from March to July followed by a distance learning Module, a mandatory, professional internship in the home company or institution and a final thesis.

Due to the ongoing COVID-19 EMERGENCY the 9th edition will be entirely delivered on line (daily live interactive lectures on Zoom and Moodle based activities).

Characterized by an interdisciplinary content focused on managerial, economic, juridical, ethical and IT procurement issues, the program is suitable for procurement specialists interested in professional upgrading and advancement.

Applications should be done only electronically on the Master website www.masterprocurement.eu using the [Apply Now](#) button and are open until the class is full. Due to the limited number of seats available, candidates are strongly recommended to apply as early as possible.
