

Local consultant pre-qualification form

The EBRD pre-qualifies local consultants for inclusion within its database. Pre-qualified consultants are then eligible for consideration for engagement on individual advisory assignments with local small and medium-sized enterprises (SMEs) as part of the EBRD's Advice for Small Businesses activities.

Note: only incorporated consultant (enterprise or individual) with at least 2 years of proven experience are eligible to pre-qualify. Please, accompany this form with the certificate of registration, extras from State Registry and the balance sheets for the last 2 years.
