

UK MiFIR product governance / Retail investors, professional investors and ECPs target market:

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is retail clients, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("EUWA"), eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("COBS") and professional clients as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA ("UK MiFIR"); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK MiFIR Product Governance Rules") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "manufacturer" means the Dealer.

European Bank for Reconstruction and Development (the "Issuer") does not fall under the scope of application of UK MiFIR. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of UK MiFIR.

ANNEX

Calculation of Fixed Interest Amount, Early Redemption Amount and Final Redemption Amount

The Early Redemption Amount and the Final Redemption Amount, as applicable, per Specified Denomination will be payable in USD on the Early Redemption Date (if any) or the Maturity Date (subject to disruption event provisions below), as applicable, and determined by the Calculation Agent as follows, on the corresponding Rate Fixing Date:

Specified Denomination *divided* by the Reference Rate

The Fixed Interest Amount per Specified Denomination will be payable in USD on the relevant Fixed Interest Date (subject to disruption event provisions below) and determined by the Calculation Agent as follows, on the corresponding Rate Fixing Date:

PHP 2,000 *divided* by the Reference Rate

Provided that, in each case, the resultant amount shall be rounded to the nearest cent (with USD 0.005 being rounded up).

The Calculation Agent shall notify the Issuer, the Agent and the Noteholders of its determination of the Early Redemption Amount, the Final Redemption Amount and Fixed Interest Amount payable on the Early Redemption Date (if any) or the Maturity Date or the Fixed Interest Date (as applicable) as soon as reasonably practicable after such determination (but in no event later than 4 Business Days prior to the Early Redemption Date (if any) or the Maturity Date or the Fixed Interest Date, as applicable).

If the Reference Rate is not available for any reason by reference to the applicable price sources on a Rate Fixing Date, the Calculation Agent shall determine that a price source disruption event (a "Price Source Disruption Event") has occurred, and shall promptly inform the Issuer, the Noteholders and the Agent of such occurrence. Following the determination of the occurrence of a Price Source Disruption Event, Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of:

- i) the day falling five Business Days after the day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists; and
- ii) the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (as defined below) or the Postponed Early Redemption Date (as defined below), as the case may be.

If on the tenth Business Day following the scheduled Rate Fixing Date the PHP06 and the PHP05 are both still unavailable, then the Reference Rate shall be the average of such firm quotes (expressed as the number of PHP per one USD) from four Reference Dealers (as defined below) as the Calculation Agent is able to obtain for the sale of PHP and the purchase of USD at or about 4.00 p.m. Manila time on the applicable Rate Fixing Date for settlement one Manila Business Day thereafter, provided, however, that if fewer than four (but at least two) Reference Dealers provide such firm quotes then the average of the quotes actually obtained shall apply.

If none, or only one, of the Reference Dealers provides such a firm quote, the Calculation Agent will determine the Reference Rate in its sole discretion, acting in good faith and in a commercially reasonable manner.

For the avoidance of doubt, no additional amounts shall be payable by the Issuer in respect of any delay in payment beyond the originally scheduled Fixed Interest Date, the Maturity Date, or as the case may be, the Early Redemption Date (in each case, as adjusted, if appropriate,

in accordance with the Following Business Day Convention) to the Postponed Fixed Interest Date, the Postponed Maturity Date or the Postponed Early Redemption Date (as appropriate) because of the operation of the provisions of this Annex.

For the avoidance of doubt, if the Postponed Early Redemption Date, Postponed Fixed Interest Date or Postponed Maturity Date is not a Business Day, then such date (as applicable) shall occur on the next following Business Day.

For the purposes of these provisions:

“Business Day” means any day (other than Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the business centre specified or, if no business centre is specified, in London, New York City, Manila and Singapore;

All references to the Calculation Agent shall include any successor or successors to The Toronto-Dominion Bank as Calculation Agent in respect of the Notes. The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent under the Notes and pursuant to the Calculation Agency Agreement shall (in the absence of manifest error) be final and binding on all parties (including, but not limited to, the Issuer and the Noteholders) and shall be made in its sole discretion in good faith and in a commercially reasonable manner in accordance with the Calculation Agency Agreement. In performing its duties under the Notes, the Calculation Agent shall act in accordance with the Calculation Agency Agreement;

“Early Redemption Date” means the date on which the Notes become due and payable pursuant to Condition 9;

“Manila Business Day” means any day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Manila;

“PHP05” or **“SFEMC PHP INDICATIVE SURVEY RATE”** each mean, in respect of a Rate Fixing Date, the PHP/USD spot rate expressed as the amount of PHP per one USD, for settlement in one Manila Business Day, as published on SFEMC’s website (www.sfemc.org) at approximately 3:30 p.m., Singapore time, or as soon thereafter as practicable, on such Rate Fixing Date. The spot rate will be calculated by SFEMC (or a service provider SFEMC may select in its sole discretion) pursuant to the SFEMC PHP Indicative Survey Methodology (which means a methodology, dated as of December 1, 2004, as amended from time to time, for a centralised industry-wide survey of financial institutions that are active participants in the PHP/USD markets for the purpose of determining the SFEMC PHP Indicative Survey Rate);

“PHP06” or **“PHP PDSPEO”** each mean, in respect of a Rate Fixing Date, the PHP/USD morning weighted average rate expressed as the amount of PHP per one USD, for settlement in one Manila Business Day, reported by the Philippine Dealing System PDEX which (i) appears on Refinitiv Screen “PDSPEO” page to the right of the caption “AM WT AVE” at approximately 11:30 a.m., Manila time, or as soon as practicable thereafter, on that Rate Fixing Date or, in the absence of which (ii) appears on the FX Summary page of www.pdex.com.ph/ to the right of the caption “AM WT AVE” for the relevant Rate Fixing Date;

“Postponed Early Redemption Date” means the tenth Business Day following the originally scheduled Early Redemption Date (if any);

“Postponed Fixed Interest Date” means the tenth Business Day following the originally scheduled Fixed Interest Date;

“Postponed Maturity Date” means the tenth Business Day following the originally scheduled Maturity Date;

“Rate Fixing Date” means, in respect of the Maturity Date, the Fixed Interest Date or the Early Redemption Date (if any), the date which is five Business Days prior to such date. If a Price Source Disruption Event occurs or otherwise subsists on such day, the Rate Fixing Date shall be the earlier of (i) the Business Day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists and (ii) the day which is five (5) Business Days before the applicable Postponed Maturity Date, the Postponed Fixed Interest Date or the Postponed Early Redemption Date, as applicable;

“Reference Dealers” means leading dealers, banks or banking corporations which regularly deal in the PHP/USD exchange market, as selected by the Calculation Agent in its sole discretion, acting in good faith and in a commercially reasonable manner; and

“Reference Rate” means, in respect of a Rate Fixing Date, PHP06. If PHP06 is unavailable on Refinitiv Screen “PDSPEO” (or any page which may replace such service) or on www.pdex.com/ph/ for any reason then PHP05 shall be used to determine the Reference Rate on such Rate Fixing Date.
