## ANNEX

### Calculation of Fixed Interest Amount, Early Redemption Amount and Final Redemption Amount

The Early Redemption Amount and the Final Redemption Amount, as applicable, per Specified Denomination will be payable in USD on the Early Redemption Date (if any) or the Maturity Date (subject to disruption event provisions below), as applicable, and determined by the Calculation Agent as follows, on the corresponding Valuation Date:

Specified Denomination / ARS Reference Rate rounded to the nearest USD 0.01 with USD 0.005 being rounded up

The Fixed Interest Amount per Specified Denomination will be payable in USD on the Fixed Interest Date (subject to disruption event provisions below) and determined by the Calculation Agent as follows, for the corresponding Valuation Date:

Fixed Interest Amount multiplied by the Fixed Day Count Fraction / ARS Reference Rate rounded to the nearest USD 0.01 with USD 0.005 being rounded up

The Calculation Agent shall notify the Issuer, the Agent and the Noteholders of its determination of the Early Redemption Amount, the Final Redemption Amount and Fixed Interest Amount payable on the Early Redemption Date (if any) or the Maturity Date or the Fixed Interest Date (as applicable), as soon as practicable after such determination (but in no event later than three (3) Payment Business Days prior to the Early Redemption Date or Maturity Date and/or relevant Fixed Interest Date, as applicable).

If the ARS Reference Rate is not available for any reason on the web site of the MAE ([www.mae.com.ar/mercados/forex/default.aspx](http://www.mae.com.ar/mercados/forex/default.aspx)) (or on any successor or replacement website) for any specific Valuation Date, the Calculation Agent shall determine that a Price Source Disruption Event (a "**Price Source Disruption Event**") has occurred, and shall promptly inform the Issuer, the Noteholders and the Agent of such occurrence. Following the determination of the occurrence of a Price Source Disruption Event, Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of:

- (i) the day falling four (4) Payment Business Days after the day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists; and
- (ii) the first Payment Business Day following the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (as defined below) or the Postponed Early Redemption Date (as defined below), as the case may be.

If the Calculation Agent has determined that a Price Source Disruption Event has occurred, the ARS Reference Rate will be determined on the Valuation Business Day first succeeding the day on which the Price Source Disruption Event ceases to exist (a "**Valuation Postponement**"), unless the Price Source Disruption Event continues to exist (measured from the date, that, but for the occurrence of the Price Source Disruption Event, would have been the Valuation Date) for a consecutive number of calendar days equal to the Maximum Days of Postponement. In such event, the ARS Reference Rate will be determined on the next Valuation Business Day after the Maximum Days of Postponement by the Calculation Agent who will determine the ARS Reference Rate (or a method for determining the ARS Reference Rate) in good faith and in a commercially reasonable manner.

In the event the scheduled Valuation Date becomes subject to the Following Business Day Convention after the occurrence of an Unscheduled Holiday, and if the Valuation Date has not occurred on or before the 14<sup>th</sup> consecutive calendar day after the scheduled Valuation Date (any such period being a "**Deferral Period**"), then the next day after the Deferral Period that would have been a Valuation Business Day but for the Unscheduled Holiday, shall be deemed to be the Valuation Date.

Notwithstanding anything herein to the contrary, in no event shall the total number of consecutive calendar days during which either (i) valuation is deferred due to an Unscheduled Holiday, or (ii) a Valuation Postponement for Price Source Disruption Event shall occur (or any combination of (i) and (ii)), exceed 14 consecutive calendar days in the aggregate. Accordingly, (x) if, upon the lapse of any such 14 calendar day period, an Unscheduled Holiday shall have occurred or be continuing on the day following such period, which but for the Unscheduled Holiday, would have been a Valuation Business Day, then such day shall be deemed to be a Valuation Date, and (y) if, upon the lapse of any such 14 calendar day period, a Price Source Disruption Event shall have occurred or be continuing on the day following such period, which but for the Unscheduled Holiday, would have been a Valuation Business Day, then Valuation Postponement shall not apply and the ARS Reference Rate (or a method for determining the ARS Reference Rate) shall be determined by the Calculation Agent in good faith and in a commercially reasonable manner.

For the avoidance of doubt, if the Postponed Early Redemption Date, Postponed Fixed Interest Date or Postponed Maturity Date is not a Payment Business Day, then such date (as applicable) shall occur on the next following Payment Business Day.

For the purposes of these provisions:

**“ARS Reference Rate”** means in respect of a Valuation Date, the ARS/USD spot exchange rate in respect of such Valuation Date, expressed as the amount of ARS per one USD, determined by the Calculation Agent by reference to the ARS MAE (ARS05) rate. **“Maximum Days of Postponement”** means fourteen (14) calendar days;

**“Valuation Business Days”** means any day (other than Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Buenos Aires and New York City; and

**“Valuation Date”** means in respect of the Maturity Date, the Early Redemption Date (if any) and/or the Fixed Interest Date, the date that is four (4) Valuation Business Days prior to such date; provided however, that, in the event of an Unscheduled Holiday, the Valuation Date shall be subject to adjustment in accordance with the Following Business Day Convention.
