## ANNEX A

### Calculation of Fixed Interest Amount, Early Redemption Amount and Final Redemption Amount

The Early Redemption Amount and the Final Redemption Amount, as applicable, per Specified Denomination will be payable in USD on the Early Redemption Date (if any) or the Maturity Date, as applicable, and determined by the Calculation Agent as follows, on the corresponding Valuation Date:  
Specified Denomination x (1/ARS Reference Rate on the applicable Valuation Date) rounded to the nearest USD with USD 0.5 being rounded up

The Fixed Interest Amount per Specified Denomination will be payable in USD on each Fixed Interest Date and determined by the Calculation Agent as follows, on the corresponding Valuation Date:

ARS 600 x (1/ARS Reference Rate on the applicable Valuation Date) rounded to the nearest USD with USD 0.5 being rounded up

The Calculation Agent shall notify the Issuer, the Agent and the Noteholders of its determination of the Early Redemption Amount, the Final Redemption Amount and Fixed Interest Amount payable on the Early Redemption Date (if any) or the Maturity Date or relevant Fixed Interest Date (as applicable), as soon as practicable after such determination (but in no event later than four Business Days prior to the Early Redemption Date or Maturity Date and/or relevant Fixed Interest Date, as applicable).

If the ARS Reference Rate is not available for any reason on Bloomberg page <EMTAARS> <INDEX> or on any successor page or on the web site of the EMTA ([www.emta.org](http://www.emta.org)) and ARS 04 (as defined below) is also unavailable on any Valuation Date, the Calculation Agent shall determine that a Price Source Disruption Event (a "**Price Source Disruption Event**") has occurred, and shall promptly inform the Issuer and the Agent of such occurrence. Following the determination of the occurrence of a Price Source Disruption Event, Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of

- (i) the day falling five Business Days after the day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists; and
- (ii) the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (as defined below), or the Postponed Early Redemption Date (as defined below), as the case may be.

If on the thirtieth day following determination of the occurrence of a Price Source Disruption Event the ARS Reference Rate and "ARS 04" (or successor pages) are still unavailable then the ARS Reference Rate shall be the average of such firm quotes (expressed as the amount of ARS per one USD) from the Reference Dealers (as defined below) as the Calculation Agent is able to obtain for the sale of USD and the purchase of ARS at or about 1.00 p.m. Buenos Aires time on the applicable Valuation Date for settlement two Buenos Aires Business Days thereafter, provided, however, that if fewer than four (but at least two) Reference Dealers provide such firm quotes then the average of the quotes actually obtained shall apply. If none, or only one, of the Reference Dealers provides such a firm quote, the ARS Reference Rate will be determined by the Calculation Agent in its sole discretion, acting in good faith and in a commercially reasonable manner.

The fallback reference rate shall be calculated by EMTA (or a service provider EMTA may select in its sole discretion) pursuant to the EMTA ARS Indicative Survey Methodology (which means a methodology, dated as of January 2, 2003, as amended from time to time, for a centralized industry-wide survey of financial institutions that are active participants in the Argentine Peso/USD markets for the purpose of determining the EMTA ARS Indicative Survey Rate)

For the purposes of these provisions:

"**ARS Reference Rate**" means in respect of a Valuation Date, the ARS/USD exchange rate in respect of such Valuation Date, expressed as the amount of ARS per one USD, determined by the Calculation Agent by reference to the EMTA ARS Industry Survey Rate. The "**EMTA ARS Industry Survey Rate**" or ARS 03 each means that the ARS Reference Rate for a given date (the "**Relevant Date**") will be the

Argentine Peso/U.S. Dollar Specified Rate for U.S. Dollars, expressed as the amount of Argentine Pesos per one U.S. Dollar, for settlement on the same day, as published both on Bloomberg page <EMTAARS> <INDEX> and on EMTA's web site (www.emta.org) at approximately 1:00 p.m. (Buenos Aires time), or as soon thereafter as practicable, on such Valuation Date, provided that the ARS Reference Rate found on the EMTA's website shall prevail in case of conflict with the ARS/USD rate appearing on Bloomberg page <EMTAARS> <INDEX>;

**"Buenos Aires Business Day"** means any day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Buenos Aires, Argentina;

**"Business Day"** means any day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in London, New York City and Buenos Aires;

**"Calculation Agent"** means JPMorgan Chase Bank, N.A. in accordance with the provisions of the Calculation Agency Agreement entered into between the Issuer and the Calculation Agent dated 9 February 2007 (as amended and/or supplemented from time to time). All references to the Calculation Agent shall include any successor or successors to JPMorgan Chase Bank, N.A. as Calculation Agent in respect of the Notes. The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent under the Notes and pursuant to the Calculation Agency Agreement shall (in the absence of manifest error) be final and binding on all parties (including, but not limited to, the Issuer and the Noteholders) and shall be made in its sole discretion in good faith and in a commercially reasonable manner in accordance with the Calculation Agency Agreement. In performing its duties under the Notes, the Calculation Agent shall act in accordance with the Calculation Agency Agreement;

**"Early Redemption Date"** means the date on which then Notes become due and payable pursuant to Condition 9;

**"EMTA ARS Indicative Survey Rate"** or **"ARS 04"** each means that the fallback reference rate for a Relevant Date will be the Argentine Peso/U.S. Dollar Specified Rate for U.S. Dollars, expressed as the amount of Argentine Pesos per one U.S. Dollar, for settlement on the same day, as published on EMTA's web site (www.emta.org) at approximately 1:00 p.m. (Buenos Aires time), or as soon thereafter as practicable, on such Valuation Date;

**"Buenos Aires and New York Business Day"** means any day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Buenos Aires, Argentina and New York City;

**"Postponed Early Redemption Date"** means the thirtieth day following the originally scheduled Early Redemption Date, (if any);

**"Postponed Fixed Interest Date"** means the thirtieth day following the originally scheduled Fixed Interest Date (where Fixed Interest Date is the **"Coupon Payment Date"**);

**"Postponed Maturity Date"** means the thirtieth day following the originally scheduled Maturity Date;

**"Reference Dealers"** means four leading dealers, banks or banking corporations which regularly deal in the USD/ARS exchange market, as selected by the Calculation Agent in its sole discretion, acting in good faith and in a commercially reasonable manner; and

**"Valuation Date"** means in respect of the Maturity Date and each Coupon Payment Date (as defined above), the date that is five Buenos Aires and New York Business Days prior to such date.

For the avoidance of doubt, if the Postponed Early Redemption Date, Postponed Fixed Interest Date or Postponed Maturity Date is not a Business Day, then such date (as applicable) shall occur on the next following Business Day.
