

**UK MiFIR product governance / Retail investors, professional investors and ECPs target market:**

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is retail clients, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of "retained EU law", as defined in the European Union (Withdrawal) Act 2018 ("EUWA"), and eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("COBS"), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of "retained EU law", as defined in the EUWA ("UK MiFIR"); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK MiFIR Product Governance Rules") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "manufacturer" means the Dealer.

European Bank for Reconstruction and Development (the "Issuer") does not fall under the scope of application of UK MiFIR. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of UK MiFIR.
