

MiFID II product governance / Professional investors and ECPs target market:

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, "**MiFID II**"); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "**manufacturer**" means the Dealer.

European Bank for Reconstruction and Development (the "**Issuer**") does not fall under the scope of application of MiFID II. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

UK MiFIR product governance / Professional investors and ECPs target market only:

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("**COBS**"), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**UK MiFIR**"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "**manufacturer**" means the Dealer.

The Issuer does not fall under the scope of application of UK MiFIR. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of UK MiFIR.

- 34** Listing: Application will be made by the Issuer (or on its behalf) for the Notes to be (i) admitted to the Official List of the UK Financial Conduct Authority and to trading on the Regulated Market of the London Stock Exchange plc and (ii) listed on the Official List of the Luxembourg Stock Exchange and to be admitted to trading on the Regulated Market of the Luxembourg Stock Exchange (*Bourse de Luxembourg*). The Issuer has also applied for the Notes to be displayed on the Luxembourg Green Exchange (LGX) and the London Stock Exchange plc’s Sustainable Bond Market (SBM).

- 35 In the case of Notes denominated in the currency of a country that subsequently adopts the euro in accordance with the Treaty establishing the European Community, as amended by the Treaty on European Union, whether the Notes will include a redenomination clause providing for the redenomination of the Specified Currency in euro (a “Redenomination Clause”), and, if so specified, the wording of the Redenomination Clause in full and any wording in respect of redenominalisation and/or consolidation (provided they are fungible) with other Notes denominated in euro. Not Applicable
- 36 Additional Information: The language set out under the heading “Use of Proceeds” in the Offering Circular shall be replaced for these Notes by the following:
- “The net proceeds of the issuance of the Notes will be used towards the Issuer’s environmental projects in accordance with and subject to the following provisions:
- An amount equivalent to the net proceeds of the Notes will be allocated within the Issuer’s Treasury liquidity pool to a portfolio that is separately monitored by the Issuer. So long as any of the Notes are outstanding, if the overall balance of such portfolio exceeds the overall amount of the Issuer’s Climate Resilience Project Portfolio (as defined below), the remaining balance may only be invested by the Issuer in certificates of deposits, commercial paper, bank deposits, repurchase transactions or other money-market instruments, as determined by the Issuer.
- “**Climate Resilience Project Portfolio**” shall mean, as determined by the Issuer, the sum of all loans and investments that are funded, in whole or in part, by the Issuer and in respect of which the amount disbursed or invested is directed at, as determined by the Issuer, climate resilient investments through financing or

refinancing projects that are intended to maintain or enhance the resilience of the asset to climate change over its expected life and/or to contribute to the climate resilience of the system.

Examples of projects in the Climate Resilience Project Portfolio include, without limitation, financings of:

- Investments in climate-resilient infrastructure, which may include:
 - Water infrastructure, such as climate-resilient water supplies, wastewater treatment, water conveyance systems and irrigation systems, etc.
 - Energy infrastructure, such as climate-resilient electricity generation, transmission and distribution systems, etc.
 - Transport infrastructure, such as climate-resilient land transport systems, ports, airports and intermodal transport, etc.
 - Urban infrastructure, such as climate-resilient buildings (e.g. insulation, lighting, heating/cooling systems), and the built environment, etc.
 - Communications infrastructure, such as climate-resilient telecommunications systems, broadband, data servers, etc.
- Investments in climate-resilient business and commercial operations, which may include:
 - Improving water use efficiency in industry, manufacturing etc.
 - Reducing the vulnerability of businesses and their value chains to extreme weather events such as floods, storms, droughts, heatwaves, etc.
- Investments in climate-resilient agricultural & ecological systems, which may include:
 - Sustainable and stress-resilient agriculture, including investments in water-efficient irrigation, etc.

- Sustainable forest management, reforestation, watershed management, and the prevention of deforestation and soil erosion, etc.

The above examples are illustrative only and no assurance can be provided that investments in projects with these specific characteristics will be made.”

37 Total Commissions: None

This Pricing Supplement comprises the pricing supplement required for issue and admission to trading on the Regulated Market of (i) the Luxembourg Stock Exchange and (ii) the London Stock Exchange plc of the Notes described herein pursuant to the Euro 45,000,000,000 Global Medium Term Note Programme for the issue of notes of European Bank for Reconstruction and Development as from 18 November 2021 or as soon as practicable thereafter.

RESPONSIBILITY

The Issuer accepts responsibility for the information contained in this Pricing Supplement other than the information contained under the heading “MiFID II product governance / Professional investors and ECPs target market” and “UK MiFIR product governance / Professional investors and ECPs target market only”.
