

UK MiFIR product governance / Professional investors and ECPs only target market:

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("**COBS**"), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**UK MiFIR**"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "**manufacturer**" means the Dealer.

European Bank for Reconstruction and Development (the "**Issuer**") does not fall under the scope of application of UK MiFIR. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of UK MiFIR.

The provisions set out in the Annex shall apply to the Terms and Conditions in accordance herewith

Additional Risk Factors:

The following additional risk factors shall be supplemental to, and should be read in conjunction with the section entitled “Risk Factors” starting on page 10 of the Offering Circular.

The Chinese Renminbi (“Renminbi”) is not freely convertible; there are significant restrictions on remittance of Renminbi into and outside the PRC

The Renminbi is not freely convertible at present. The PRC government continues to regulate conversion between the Renminbi and foreign currencies, including the Hong Kong dollar, despite the significant reduction over the years by the PRC government of control over routine foreign exchange transactions under current accounts.

There can be no assurance that the PRC government will continue to gradually liberalise its control over cross-border Renminbi remittances in the future or that new PRC regulations will not be promulgated in the future which have the effect of restricting or eliminating the remittance of Renminbi into or outside the PRC. In the event that the Issuer is not able to repatriate funds outside the PRC in Renminbi, the Issuer will need to source Renminbi offshore to finance its obligations under the Notes, and its ability to do so will be subject to the overall availability of Renminbi outside the PRC.

There is only limited availability of Renminbi outside the PRC, which may affect the liquidity of the Notes

As a result of the restrictions by the PRC government on cross-border Renminbi fund flows, the availability of Renminbi outside of the PRC is limited.

Although it is widely expected that the offshore Renminbi market will continue to grow in depth and size, its growth is subject to many constraints as a result of PRC laws and regulations on foreign exchange. There is no assurance that new PRC regulations

will not be promulgated in the future which will have the effect of restricting availability of Renminbi offshore. The limited availability of Renminbi outside the PRC may affect the liquidity of the Notes. To the extent the Issuer is required to source Renminbi in the offshore market to service the Notes, there is no assurance that the Issuer will be able to source such Renminbi on satisfactory terms, if at all.

In limited circumstances set out in the Annex below, relating to the unavailability of Renminbi offshore, the Issuer is entitled to make payments in respect of the Notes in US Dollars.

Investment considerations:

Notes are Not Liquid Instruments

The Notes are not actively traded in any financial market and there may exist at times only limited markets for the Notes resulting in low or non-existent volumes of trading in the Notes and such obligations, and therefore a lack of liquidity and price volatility of the Notes and such obligations.

37 Total Commissions: None

Settlement Disruption Event and Fallback Provisions

All payments in respect of the Notes will be made in CNY, subject to the occurrence of a Settlement Disruption Event (as defined below) and will in all cases be subject to any fiscal or other laws applicable thereto.

If the Calculation Agent (as defined below) determines (in its sole discretion acting in good faith and in a commercially reasonable manner) that a Settlement Disruption Event has occurred or is subsisting during the Determination Period (as defined below):

- A. The Calculation Agent shall notify the Issuer and the Agent of its determination as soon as practicable after making such determination (but in no event later than 8.00 a.m. London time one (1) Business Day after the last day of the Determination Period) whereupon the Agent shall as soon as practicable thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes), and
- B. Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of (i) the day falling two (2) Business Days after the day on which the Issuer is notified by the Calculation Agent that a Settlement Disruption Event no longer subsists and (ii) the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (as defined below) or the Postponed Early Redemption Date (as defined below), as the case may be.

If a Settlement Disruption Event no longer subsists, the Calculation Agent shall notify the Issuer and the Agent thereof as soon as practicable on or after the Business Day on which the Settlement Disruption Event no longer subsists (but in no event later than one (1) Business Day thereafter) whereupon the Agent shall as soon as practicable thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes).

If any amount is to be paid on a Postponed Fixed Interest Date, Postponed Maturity Date or Postponed Early Redemption Date (as the case may be), regardless of whether a Settlement Disruption Event is still subsisting at such time, payment shall be made in United States Dollars (“USD”) and shall be calculated by the Calculation Agent and promptly notified to the Agent and the Issuer (but in no event later than two (2) Business Days before the Postponed Fixed Interest Date, Postponed Maturity Date or Postponed Early Redemption Date (as the case may be)) in an amount per Specified Denomination which shall be produced by the following provisions, such amount to be rounded to the nearest whole cent (with 0.5 cent being rounded upwards):

$$\text{[Relevant CNY Amount} \div \text{Exchange Rate]}$$

For the avoidance of doubt, no additional amounts shall be payable by the Issuer in respect of any delay in payment beyond the originally scheduled Fixed Interest Date, Maturity Date, or as the case may be, Early Redemption Date (in each case, as adjusted, if appropriate, in accordance with the Modified Following Business Day Convention) to the Postponed Fixed Interest Date, Postponed Maturity Date or Postponed Early Redemption Date (as appropriate) because of the operation of the provisions of this Annex.

If the Calculation Agent determines (in its sole discretion acting in good faith and in a commercially reasonable manner) that a Settlement Disruption Event has occurred following a Determination Period and either prior to or on the Fixed Interest Date, Maturity Date or Early Redemption Date (as the case may be), then any amount payable shall be made in USD in accordance with the provisions set out above.

For the purposes of these provisions:

“Business Day” means any day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in London, New York City, Beijing and Hong Kong;

“Calculation Agent” means Barclays Bank PLC in accordance with the provisions of the Calculation Agency Agreement entered into between the Issuer and the Calculation Agent dated 3 October 2002 (as amended and/or supplemented from time to time). All references to the Calculation Agent shall include any successor or successors to Barclays Bank PLC, as the Calculation Agent in respect of the Notes. The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent under the Notes and pursuant to the Calculation Agency Agreement shall (in the absence of manifest error) be final and binding on all parties (including, but not limited to, the Issuer and the Noteholders) and shall be made in its sole discretion in good faith and in a commercially reasonable manner in accordance with the Calculation Agency Agreement. In performing its duties under the Notes, the Calculation Agent shall act in accordance with the Calculation Agency Agreement;

“Determination Period” means (i) in relation to the Fixed Interest Date, the period which falls between five and three Business Days (inclusive) preceding the Fixed Interest Date, as adjusted in accordance with the Modified Following Business Day Convention; (ii) in relation to the Maturity Date, the period which falls between five and three Business Days (inclusive) preceding the Maturity Date, as adjusted in accordance with the Modified Following Business Day Convention; and (iii) in relation to any Early Redemption Date, as adjusted in accordance with the Modified Following Business Day Convention, the period which falls between five and three Business Days (inclusive) preceding any Early Redemption Date, as the case may be;

“Exchange Rate” means the average of such firm quotes (expressed in CNY per 1 USD) as the Calculation Agent is able to obtain from five Reference Dealers at or about 11.00 a.m. London time for the sale of CNY and the purchase of USD, on the day falling two Business Days prior to the Postponed Early Redemption Date (if any), or the Postponed Fixed Interest Date and/or Postponed Maturity Date (as the case may be). The highest and lowest of such quotes will be disregarded and the arithmetic mean of the remaining quotations shall be the Exchange Rate, provided, however, that if fewer than four (but at least two) Reference Dealers provide such a firm quote then the average of the quotes actually obtained shall apply. If only one Reference Dealer provides a firm quote then such quote shall apply, and if no Reference Dealer provides such a firm quote, then the Calculation Agent, acting in good faith and in a commercially reasonable manner, shall establish the Exchange Rate in its sole discretion, which may result in a USD equivalent amount calculated as above to be zero;

“Postponed Early Redemption Date” means the tenth Business Day following the Early Redemption Date (if any);

“Postponed Fixed Interest Date” means the tenth Business Day following the originally scheduled Fixed Interest Date;

“Postponed Maturity Date” means the tenth Business Day following the originally scheduled Maturity Date;

- a) the imposition of laws or regulations by any relevant legislative, governmental or regulatory authority of the People’s Republic of China and/or Hong Kong SAR with oversight over CNY with the offshore CNY centre of Hong Kong (each, a “Relevant Authority”) which (i) require non-residents of the People’s Republic of China and/or Hong Kong SAR to obtain permission from such Relevant Authority or other authority to obtain CNY, or (ii) otherwise restrict a non-resident’s ability to obtain CNY or (iii) otherwise regulate the purchase or holding of CNY such that costs are imposed in obtaining CNY which would not be imposed in the absence of such regulations, or (iv) has the direct or indirect effect of hindering, limiting or restricting (to the extent not already limited or restricted) transfer of CNY (a) between accounts inside the offshore CNY centre of Hong Kong or (b) from an account inside the offshore CNY centre of Hong Kong to an account outside the offshore CNY centre of Hong Kong and outside the People’s Republic of China or (c) from an account outside the offshore CNY centre of Hong Kong and outside the People’s Republic of China to an account inside the offshore CNY centre of Hong Kong; and/or
