

UK MiFIR product governance/ Retail investors, professional investors and ECPs target market:

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is retail clients, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("EUWA"), and eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("COBS"), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA ("UK MiFIR"); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK MiFIR Product Governance Rules") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "manufacturer" means the Dealer.

European Bank for Reconstruction and Development (the "Issuer") does not fall under the scope of application of UK MiFIR. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of UK MiFIR.

Annex A

Calculation of Fixed Interest Amount per Specified Denomination and Early Redemption Amount and Final Redemption Amount per Specified Denomination

The Final Redemption Amount or Early Redemption Amount, as applicable, per Specified Denomination will be payable in USD on the Maturity Date or Early Redemption Date (if any), as applicable, and determined by the Calculation Agent as follows, on the corresponding Rate Fixing Date:

Specified Denomination x (1/Reference Rate on the applicable Rate Fixing Date) rounded to the nearest cent with USD 0.005 being rounded up

The Fixed Interest Amount per Specified Denomination will be payable in USD on each Fixed Interest Date and determined by the Calculation Agent as follows, on the corresponding Rate Fixing Date:

Specified Denomination x Fixed Rate of Interest x (1/Reference Rate on the applicable Rate Fixing Date) x Day Count Fraction rounded to the nearest cent with USD 0.005 being rounded up

The Calculation Agent shall notify the Issuer, the Agent and the Noteholders of its determination of the Final Redemption Amount or Early Redemption Amount per Specified Denomination and Fixed Interest Amount payable per Specified Denomination on the Maturity Date, the relevant Fixed Interest Date or Early Redemption Date (as applicable), as soon as practicable after such determination (but in no event later than four Business Days prior to the Maturity Date and/or relevant Fixed Interest Date).

If the Reference Rate is not available for any reason on the Bank Indonesia's website (www.bi.go.id) or otherwise made available by Bank Indonesia or its successor as administrator (or its successor as administrator) on any Rate Fixing Date, then the Calculation Agent shall determine that a Price Source Disruption Event (a "**Price Source Disruption Event**") has occurred, and shall promptly inform the Issuer and Agent of such occurrence. Following the determination of the occurrence of a Price Source Disruption Event, Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of (i) the day falling five Business Days after the day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists and (ii) the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (as defined below) or the Postponed Early Redemption Date (if any) (as defined below) as the case may be.

If on the 10th Business Day following the original Rate Fixing Date the Reference Rate on the Bank Indonesia's website (www.bi.go.id) or otherwise made available by Bank Indonesia or its successor as administrator (or its successor as administrator) is still unavailable then the Reference Rate (the "**Fallback Reference Rate**") shall be the average of such firm quotes (expressed as the number of IDR per one USD) from five Reference Dealers as the Calculation Agent is able to obtain for the sale of IDR and the purchase of USD at or about 10:00 a.m. Jakarta time on the Rate Fixing Date for settlement two Jakarta Business Days thereafter. If more than three quotations are provided, the

Fallback Reference Rate will be the arithmetic mean of those quotations, after eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or in the event of equality, one of the lowest). If fewer than four (but at least two) Reference Dealers provide such firm quote then the average of the quotes actually obtained shall apply, and if none of the Reference Dealers provides such a firm quote, the Reference Rate will be determined by the Calculation Agent in its sole discretion, acting in good faith and in a commercially reasonable manner.

The Calculation Agent shall notify the Issuer, the Agent and the Noteholders of its determination of USD/IDR Spot Rate as soon as practicable after such determination.
