

UK MiFIR product governance / Retail investors, professional investors and ECPs only target market

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is retail clients, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of "retained EU law", as defined in the European Union (Withdrawal) Act 2018 ("**EUWA**"), and eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("**COBS**"), and professional clients, as defined in Regulation (EU) No 600/2014 as forms part of "retained EU law", as defined in the EUWA ("**UK MiFIR**"); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "**manufacturer**" means the Dealer.

European Bank for Reconstruction and Development (the "**Issuer**") does not fall under the scope of application of UK MiFIR. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of UK MiFIR.

36 Additional Information:

(i) Additional Provisions:

The provisions set out in the Annex hereto shall apply to the Terms and Conditions in accordance herewith.

(ii) Investment Considerations:

Uzbek Som Exchange Risk

The Final Redemption Amount, Early Redemption Amount (if applicable) and the Interest Amounts on the Notes are linked to Uzbek Som, the lawful currency of the Republic of Uzbekistan (“**UZS**”). Currency exchange rates may be volatile and will affect the return to the holder of the Notes. The Central Bank and/or the Government of the Republic of Uzbekistan can from time to time intervene in the foreign exchange market. These interventions or other governmental actions could adversely affect the value of the Notes in USD, as well as the actual yield (in USD terms) on the Notes and the amounts payable on the Notes. Even in the absence of governmental action directly affecting currency exchange rates, political or economic developments in the Republic of Uzbekistan or elsewhere could lead to significant and sudden changes in the exchange rate between UZS and USD.

Notes are Not Liquid Instruments

There may exist at times only limited markets for the Notes resulting in low or non-existent volumes of trading in the Notes, and therefore a lack of liquidity and price volatility of the Notes.

Annex

Settlement, Settlement Disruption and Fallback Provisions

The Final Redemption Amount per Specified Denomination or the Early Redemption Amount per Specified Denomination will be payable in USD on the Maturity Date or the Early Redemption Date, as applicable, and will be determined by the Calculation Agent as follows, on the corresponding Rate Fixing Date:

Specified UZS Amount / Reference Rate on the applicable Rate Fixing Date, rounded to the nearest cent with USD 0.005 being rounded up

The Interest Amount per Specified Denomination will be payable in USD on each Fixed Interest Date and determined by the Calculation Agent as follows, on the corresponding Rate Fixing Date:

Specified UZS Amount x Fixed Rate of Interest x Fixed Day Count Fraction / Reference Rate on the applicable Rate Fixing Date, rounded to the nearest cent with USD 0.005 being rounded up

The Calculation Agent shall promptly (but in no event later than 5:00 p.m. London time on the relevant Rate Fixing Date) notify the Issuer and the Agent of its determination of the Final Redemption Amount per Specified Denomination, the Early Redemption Amount per Specified Denomination and the Interest Amount payable per Specified Denomination on the Maturity Date, the Early Redemption Date or the relevant Fixed Interest Date (as applicable). The Agent shall in turn promptly (but in no event later than 11:00 a.m. London time on the Business Day immediately following the day when such determination is made) inform the Noteholders thereof (in accordance with Condition 13 of the Notes).

If the Reference Rate is not available for any reason on the Central Bank of the Republic of Uzbekistan's website at <https://cbu.uz/en/> (or on any successor or replacement page) or as otherwise made available by the Central Bank of the Republic of Uzbekistan (or its successor as administrator) on any Rate Fixing Date, then the Calculation Agent shall determine that a price source disruption event (a "**Price Source Disruption Event**") has occurred, and shall promptly after making such determination (but in no event later than 5:00 p.m. London time on the day when such determination is made) inform the Issuer and the Agent of such occurrence, whereupon the Agent shall promptly (but in no event later than 11:00 a.m. London time on the Business Day immediately following the day when such determination is made) inform the Noteholders thereof (in accordance with Condition 13 of the Notes).

Following the determination of the occurrence of a Price Source Disruption Event, the Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of (i) the day falling five Business Days after the day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists, and (ii) the Postponed Fixed Interest Date, the Postponed Maturity Date, or the Postponed Early Redemption Date, as the case may be.

If, on the tenth Business Day following the original Rate Fixing Date, the Reference Rate is still unavailable on the Central Bank of the Republic of Uzbekistan's website at <https://cbu.uz/en/> (or on any successor or replacement page) or as otherwise made available by the Central Bank of the Republic of Uzbekistan (or its successor as administrator), then the Reference Rate shall be the arithmetic mean of such firm quotes (expressed in UZS per one USD) as the Calculation Agent is able to obtain from five Reference Dealers at or about 2PM Tashkent time for the sale of the Reference UZS Amount and the purchase of USD on the applicable Rate Fixing Date for settlement on the date that is falling two Business Days thereafter, as calculated by the Calculation Agent. If five or four Reference Dealers provide such firm quotes, the highest and lowest of such quotes will be disregarded and the arithmetic mean of the remaining quotations shall be the Reference Rate. If three or two Reference Dealers provide such firm quotes, then the arithmetic mean of the quotes actually obtained shall be the Reference Rate, as calculated by the Calculation Agent. If only one Reference Dealer provides a firm quote, then such quote shall be the Reference Rate, and if no Reference Dealer provides such a firm quote, then the Calculation Agent shall determine the Reference Rate in its sole discretion, acting in good faith and in a commercially reasonable manner, which may result in a USD equivalent amount calculated as above to be zero. Notwithstanding the above, if the Calculation Agent executes a transaction for the sale of the Reference UZS Amount at or about 2PM Tashkent time at the Best Execution Rate, then such Best Execution Rate shall be the Reference Rate.

For the avoidance of doubt, no additional amounts shall be payable by the Issuer in respect of any delay in payment beyond the originally scheduled Fixed Interest Date, the Maturity Date, or as the case may be, the Early Redemption Date (in each case, as adjusted, in accordance with the Following Business Day Convention) to the Postponed Fixed Interest Date, the Postponed Maturity Date or the Postponed Early Redemption Date (as appropriate) because of the operation of the provisions of this Annex.

For the purposes of these provisions:

“Best Execution Rate” means the rate at which the Calculation Agent may execute a transaction for the sale of the Reference UZS Amount and the purchase of US Dollars at or about 2PM Tashkent time on the day falling five Business Days prior to the relevant Postponed Fixed Interest Date, the Postponed Early Redemption Date (if any) or the Postponed Maturity Date (as the case may be) for settlement on the date that is falling two Business Days thereafter where the resultant US Dollar amount is greater than the sum calculated using a Reference Rate that is an arithmetic mean of firm quotations by Reference Dealers calculated as specified above.

“Reference Dealers” means leading dealers, banks or banking corporations which regularly deal in the USD/UZS exchange market, as selected by the Calculation Agent in its sole discretion, acting in good faith and in a commercially reasonable manner;

In the circumstances described in this Annex in relation to a Price Source Disruption Event, the Reference Rate shall be determined by the Calculation Agent in accordance with such provisions;

“Reference UZS Amount” means an amount that is no greater than the Relevant UZS Amount multiplied by N, where “N” means the number obtained by dividing the Nominal Amount outstanding by the Specified Denomination;

“Relevant UZS Amount” means for the Interest Amount the Specified UZS Amount x Fixed Rate of Interest x Fixed Day Count Fraction and/or for the Final Redemption Amount or any Early Redemption Amount the Specified UZS Amount, as the case may be; and

“Specified UZS Amount” means UZS 109,400,000 per Specified Denomination, which is calculated per Specified Denomination using the initial USD/UZS exchange rate of UZS 10,940 per USD 1 set on 13 September 2022.
