

UK MiFIR product governance / Professional investors and ECPs target market only:

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("**COBS**"), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**EUWA**") ("**UK MiFIR**") only; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "**manufacturer**" means the Dealer.

European Bank for Reconstruction and Development (the "**Issuer**") does not fall under the scope of application of UK MiFIR. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of UK MiFIR.

ANNEX

Settlement Disruption Event and Fallback Provisions

All payments in respect of the Notes will be made in RON subject to the occurrence of a Settlement Disruption Event and will in all cases be subject to any fiscal or other laws applicable thereto.

If the Calculation Agent determines (in its sole discretion acting in good faith and in a commercially reasonable manner) that a Settlement Disruption Event has occurred and is subsisting during a Determination Period:

- A. The Calculation Agent shall notify the Issuer and the Agent of its determination as soon as practicable after making such determination (but in no event later than 11.00 a.m. London time one (1) Business Day after the last day of the relevant Determination Period) whereupon the Agent shall as soon as practicable thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes), and
- B. Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of (i) the day falling two Business Days after the day on which the Issuer is notified by the Calculation Agent that the relevant Settlement Disruption Event no longer subsists and (ii) the relevant Postponed Fixed Interest Date, the Postponed Maturity Date, or the Postponed Early Redemption Date, as the case may be.

If a Settlement Disruption Event no longer subsists on or before 5:00 p.m. London time on the fourth Business Day preceding the relevant Postponed Fixed Interest Date, the Postponed Maturity Date, or the Postponed Early Redemption Date (as the case may be), the Calculation Agent shall notify the Issuer and the Agent thereof as soon as practicable on or after the Business Day on which such Settlement Disruption Event no longer subsists (but in no event later than one (1) Business Day thereafter) whereupon the Agent shall as soon as practicable thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes).

If any amount is to be paid on a Postponed Fixed Interest Date, the Postponed Maturity Date or the Postponed Early Redemption Date (as the case may be), regardless of whether a Settlement Disruption Event is still subsisting at such time, payment shall be made in United States Dollars (“USD”) and shall be calculated by the Calculation Agent (and promptly notified to the Agent and the Issuer (but in no event later than two Business Days before the relevant Postponed Fixed Interest Date, the Postponed Maturity Date or the Postponed Early Redemption Date (as the case may be))) in an amount per Specified Denomination which shall be produced by the following provisions, such amount to be rounded to the nearest whole cent (with USD 0.005 being rounded upwards):

Relevant RON Amount ÷ Reference Rate

For the avoidance of doubt, no additional amounts shall be payable by the Issuer in respect of any delay in payment beyond any of the originally scheduled Fixed Interest Date, Maturity Date, or as the case may be, Early Redemption Date (in each case, as adjusted, if appropriate, in accordance with the Following Business Day Convention) to the relevant Postponed Fixed Interest Date, Postponed Maturity Date or Postponed Early Redemption Date (as appropriate) because of the operation of the provisions of this Annex.

If, following a determination by the Calculation Agent (in its sole discretion acting in good faith and in a commercially reasonable manner) that a Settlement Disruption Event has occurred during a Determination Period and that it subsists at 5:00 p.m. London time on the fourth Business Day

preceding the relevant Postponed Fixed Interest Date, the Postponed Maturity Date, or the Postponed Early Redemption Date (as the case may be), then any amount payable shall be made in USD in accordance with the provisions set out above.

For the purposes of these provisions:

“Best Execution Rate” means the rate at which the Calculation Agent may execute a transaction for the sale of the Reference RON Amount and the purchase of US Dollars at or about 11.00 a.m. London time on the day falling two Business Days prior to the relevant Postponed Fixed Interest Date, the Postponed Early Redemption Date (if any) or the Postponed Maturity Date (as the case may be) for settlement the date that is falling two Business Days thereafter where the resultant US Dollar amount is greater than the sum calculated using a Reference Rate that is an arithmetic mean of firm quotations by Reference Dealers calculated as specified below.

“Business Day” means any day excluding Saturday and Sunday on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Bucharest, London and New York City;

“Calculation Agent” means Citibank N.A., London in accordance with the provisions of the Calculation Agency Agreement entered into between the Issuer and the Calculation Agent dated 20 February 2004 (as amended and/or supplemented from time to time). All references to the Calculation Agent shall include any successor or successors to Citibank N.A., London as Calculation Agent in respect of the Notes;

“Determination Period” means (i) in relation to any Fixed Interest Date, the period which falls between ten and three Business Days (inclusive) preceding the relevant Fixed Interest Date, as adjusted in accordance with the Following Business Day Convention; (ii) in relation to the Maturity Date, the period which falls between ten and three Business Days (inclusive) preceding the Maturity Date, as adjusted in accordance with the Following Business Day Convention; and (iii) in relation to any Early Redemption Date, the period which falls between ten and three Business Days (inclusive) preceding any Early Redemption Date, as adjusted in accordance with the Following Business Day Convention, as the case may be;

“Postponed Early Redemption Date” means the tenth Business Day following the Early Redemption Date (if any);

“Postponed Fixed Interest Date” means the tenth Business Day following the originally scheduled Fixed Interest Date;

“Postponed Maturity Date” means the tenth Business Day following the originally scheduled Maturity Date;

“Reference Dealers” means leading dealers, banks or banking corporations, which regularly deal in the RON/USD exchange market, selected by the Calculation Agent in its sole discretion, acting in good faith and in a commercially reasonable manner;

“Reference Rate” means the arithmetic mean of such firm quotes (expressed in RON per 1 USD) as the Calculation Agent is able to obtain from five (5) Reference Dealers at or about 11.00 a.m. London time for the sale of the Reference RON Amount and the purchase of USD, on the day falling two Business Days prior to the relevant Postponed Fixed Interest Date, the Postponed Early Redemption Date (if any) or the Postponed Maturity Date (as the case may be) for settlement the date that is falling two Business Days thereafter. The highest and lowest of such quotes will be disregarded and the arithmetic mean of the remaining quotations shall be the Reference Rate, provided, however, that if fewer than five (but at least two) Reference Dealers provide such a firm

quote then the arithmetic mean of the quotes actually obtained shall be the Reference Rate. If only one Reference Dealer provides a firm quote then such quote shall be the Reference Rate, and if no Reference Dealer provides such a firm quote, then the Calculation Agent shall determine the Reference Rate in its sole discretion, acting in good faith and in a commercially reasonable manner, which may result in a USD equivalent amount calculated as above to be zero. Notwithstanding the above, if the Calculation Agent executes a transaction for the sale of the Reference RON Amount at or about 11:00 a.m. London time at the Best Execution Rate, then such Best Execution Rate shall be the Reference Rate;

“Reference RON Amount” means an amount that is no greater than the Relevant RON Amount multiplied by N, where “N” means the number obtained by dividing the Nominal Amount outstanding by the Specified Denomination;

“Relevant RON Amount” means the RON amount per Specified Denomination which would have been payable on the relevant date if a Settlement Disruption Event had not occurred; and

“Settlement Disruption Event” means any of the events specified under (i) and (ii) below, as determined by the Calculation Agent in its sole discretion, acting in good faith and in a commercially reasonable manner:

- (a) the imposition of laws or regulations by the relevant central banking authority or other legislative, governmental or regulatory authority of Romania which (a) require non-residents of Romania to obtain permission from such central banking authority or other authority to obtain RON, or (b) otherwise restrict a non-resident’s ability to obtain RON or (c) otherwise regulate the purchase or holding of RON such that costs are imposed in obtaining RON which would not be imposed in the absence of such regulations, or (d) has the direct or indirect effect of hindering, limiting or restricting the transfer of RON from Romania to recipients resident in another country;
- (b) Euroclear and/or Clearstream, Luxembourg suspend or cease acceptance of RON as a settlement currency.
