

UK MiFIR product governance / Professional investors and ECPs only target market:

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("**COBS**") and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018, as amended, only; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "**manufacturer**" means the Dealer.

European Bank for Reconstruction and Development (the "**Issuer**") does not fall under the scope of application of UK MiFIR. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of UK MiFIR.

ANNEX

The Early Redemption Amount and the Final Redemption Amount, as applicable, per Specified Denomination will be payable in USD on the Early Redemption Date (if any) or the Maturity Date, as applicable, and determined by the Calculation Agent as follows, on the corresponding FX Rate Fixing Date:

Specified Denomination / FXRate on the applicable FXRate Fixing Date rounded to the nearest USD with USD 0.5 being rounded up

The Fixed Interest Amount per Specified Denomination will be payable in USD on the Fixed Interest Date and determined by the Calculation Agent as follows, on the corresponding FX Rate Fixing Date:

KES 75,000 / FXRate on the applicable FXRate Fixing Date rounded to the nearest USD with USD 0.5 being rounded up

The Calculation Agent shall notify the Issuer and the Agent ((who shall in turn inform the Noteholders) of its determination of the Fixed Interest Amount, Early Redemption Amount (if any) and the Final Redemption Amount payable on the Fixed Interest Date, Early Redemption Date (if any) or the Maturity Date (as applicable), as soon as practicable after such determination (but in no event later than four Business Days prior to the Fixed Interest Date, Early Redemption Date or Maturity Date, as applicable).

If the FX Rate is not available for any reason on Reuters Page <USDKES08FIXM=WM> (or any successor page selected as the EMTA market standard) on a FXRate Fixing Date, the Calculation Agent shall determine that a Price Source Disruption Event (a “**Price Source Disruption Event**”) has occurred, and shall promptly inform the Issuer and the Agent (who shall in turn inform the Noteholders) of such occurrence. Following the determination of the occurrence of a Price Source Disruption Event, Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of:

- (i) the day falling five Business Days after the day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists; and
- (ii) the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (as defined below) or the Postponed Early Redemption Date (as defined below), as the case may be.

If on the thirtieth day following determination of the occurrence of a Price Source Disruption Event the FX Rate is still unavailable then the FXRate shall be the average such firm quotes (expressed as the number of KES per one USD) from three Reference Dealers (as defined below) as the Calculation Agent is able to obtain for the sale of KES and the purchase of USD at or about 1.00 p.m. Nairobi time on the applicable FX Rate Fixing Date for settlement two Business Days thereafter, provided, however, that if fewer than 2 Reference Dealers provide such firm quotes, then the Calculation Agent shall determine the FX Rate in good faith and in a commercially reasonable manner.

The Calculation Agent shall notify the Issuer and the Agent (who shall in turn notify the Noteholders) of its determination of the FXRate as soon as practicable after such determination.

For the avoidance of doubt, if the Postponed Early Redemption Date, Postponed Fixed Interest Date, or Postponed Maturity Date is not a Business Day, then such date (as applicable) shall occur on the next following Business Day.

For purposes of these provisions:

“Business Day” means any day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Nairobi, London and New York City;

(Nairobi time), or as soon thereafter as practicable, on that FXRate Fixing Date;

“FX Rate Fixing Date” means five Business Days prior to the Fixed Interest Date, Early Redemption Date (if any) and Maturity Date. If a Price Source Disruption occurs or otherwise subsists on such day, the FXRate Fixing Date shall be the earlier of (i) the Business Day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists and (ii) the day which is five Business Days before the Postponed Fixed Interest Date, Postponed Maturity Date or the Postponed Early Redemption Date as applicable.

“Postponed Early Redemption Date” means the thirtieth day following the originally scheduled Early Redemption Date, (if any).
