

### **UK MiFIR product governance / Retail investors, professional investors and ECPs target market**

- Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is retail clients, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of "retained EU law", as defined in the European Union (Withdrawal) Act 2018 ("EUWA"), and eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("COBS"), and professional clients as defined in Regulation (EU) No 600/2014 as it forms part of "retained EU law", as defined in the EUWA ("UK MiFIR"); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK MiFIR Product Governance Rules") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "manufacturer" means the Dealer.

European Bank for Reconstruction and Development (the "Issuer") does not fall under the scope of application of UK MiFIR. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of UK MiFIR.

- 37** Investment consideration: Russian Rouble Exchange Risk
- The Notes are denominated in RUB. Currency exchange rates may be volatile and, in certain circumstances, may affect the return to the holder of the Notes. The Government of the Russian Federation can from time to time intervene in the foreign exchange market. These interventions or other governmental actions could adversely affect the value of the Notes in U.S. Dollars, as well as the actual yield (in U.S. Dollar terms) on the Notes and the amount payable at maturity. Even in the absence of governmental action directly affecting currency exchange rates, political or economic developments in the Russian Federation or elsewhere could lead to significant and sudden changes in the exchange rate between the RUB and the U.S. Dollar.
- Notes are Not Liquid Instruments
- The Notes are not actively traded in any financial market and there may exist at times only limited markets for the Notes resulting in low or non-existent volumes of trading in the Notes and such obligations, and therefore a lack of liquidity and price volatility of the Notes and such obligations.
- 38** Total Commissions: Not Applicable

## Annex

All payments in respect of the Notes will be made in RUB, subject to the occurrence of a Settlement Disruption Event (as defined below) and will in all cases be subject to any fiscal or other laws applicable thereto.

If the Calculation Agent (as defined below) determines (in its sole discretion acting in good faith and in a commercially reasonable manner) that a Settlement Disruption Event has occurred or is subsisting during the Determination Period (as defined below):

A. The Calculation Agent shall notify the Issuer and the Agent of its determination as soon as practicable after making such determination (but in no event later than 8.00 a.m. London time one (1) Business Day after the last day of the Determination Period) whereupon the Agent shall as soon as practicable thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes), and

B. Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of (i) the day falling two Business Days after the day on which the Issuer is notified by the Calculation Agent that a Settlement Disruption Event no longer subsists; and (ii) the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (if any) (as defined below), or the Postponed Early Redemption Date (as defined below), as the case may be.

If a Settlement Disruption Event no longer subsists, the Calculation Agent shall notify the Issuer and the Agent thereof as soon as practicable on or after the Business Day on which the Settlement Disruption Event no longer subsists (but in no event later than one (1) Business Day thereafter) whereupon the Agent shall as soon as practicable thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes).

If any amount is to be paid on a Postponed Fixed Interest Date, Postponed Maturity Date or Postponed Early Redemption Date (as the case may be), regardless of whether a Settlement Disruption Event is still subsisting at such time, payment shall be made in United States Dollars ("USD") and shall be calculated by the Calculation Agent (and promptly notified to the Agent and the Issuer (but in no event later than two Business Days before the Postponed Fixed Interest Date, Postponed Maturity Date or Postponed Early Redemption Date (as the case may be))) in an amount per Specified Denomination which shall be produced by the following provisions, such amount to be rounded to the nearest whole cent (with 0.5 cent being rounded upwards):

**[Relevant RUB Amount ÷ Exchange Rate]**

For the avoidance of doubt, no additional amounts shall be payable by the Issuer in respect of any delay in payment beyond the originally scheduled Fixed Interest Date, Maturity Date, or as the case may be, Early Redemption Date (in each case, as adjusted, if appropriate, in accordance with the Following Business Day Convention) to the Postponed Fixed Interest Date, Postponed Maturity Date or Postponed Early Redemption Date (as appropriate) because of the operation of the provisions of this Annex.

If the Calculation Agent determines (in its sole discretion acting in good faith and in a commercially reasonable manner) that a Settlement Disruption Event has occurred following a Determination Period and either prior to or on a Fixed Interest Date, a Maturity Date or Early Redemption Date (as the case may be), then any amount payable shall be made in USD in accordance with the provisions set out above.

For the purposes of these provisions:

**“Business Day”** means any day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in London, New York City and Moscow;

**“Calculation Agent”** means JPMorgan Chase Bank in accordance with the provisions of the Calculation Agency Agreement entered into between the Issuer and the Calculation Agent dated 9 February 2007 (as amended and/or supplemented from time to time). All references to the Calculation Agent shall include any successor or successors to JPMorgan Chase Bank as Calculation Agent in respect of the Notes. The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent under the Notes and pursuant to the Calculation Agency Agreement shall (in the absence of manifest error) be final and binding on all parties (including, but not limited to, the Issuer and the Noteholders) and shall be made in its sole discretion in good faith and in a commercially reasonable manner in accordance with the Calculation Agency Agreement. In performing its duties under the Notes, the Calculation Agent shall act in accordance with the Calculation Agency Agreement;

**“Exchange Rate”** means the average of such firm quotes (expressed in RUB per 1 USD) as the Calculation Agent is able to obtain from five Reference Dealers at or about 11.00 a.m. London Time for the sale of RUB and the purchase of USD, on the day falling two Business Days prior to the relevant Postponed Fixed Interest Date, the Postponed Early Redemption Date or the Postponed Maturity Date (as the case may be). The highest and lowest of such quotes will be disregarded and the arithmetic mean of the remaining quotations shall be the Exchange Rate, provided, however, that if fewer than four (but at least two) Reference Dealers provide such a firm quote then the average of the quotes actually obtained shall apply. If only one Reference Dealer provides a firm quote then such quote shall apply, and if no Reference Dealer provides such a firm quote, then the Calculation Agent, acting in good faith and in a commercially reasonable manner, shall determine the Exchange Rate in its sole discretion, which may result in a USD equivalent amount of zero;

**“Postponed Fixed Interest Date”** means the tenth Business Day following the originally scheduled Fixed Interest Date;

**“Postponed Maturity Date”** means the tenth Business Day following the originally scheduled Maturity Date (if any);

- (b) Euroclear and/or Clearstream, Luxembourg suspend or cease acceptance of RUB as a settlement currency.
