

MiFID II product governance / Retail investors, professional investors and ECPs target market:

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "manufacturer" means the Dealer.

European Bank for Reconstruction and Development (the "Issuer") does not fall under the scope of application of MiFID II. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

PRICING SUPPLEMENT

1 April 2019

**European Bank for Reconstruction and Development
ARS 650,000,000 50.00 per cent. Notes due 3 April 2020 (the "Notes") (payable in United States Dollars) issued pursuant to a Global Medium Term Note Programme

PART B - OTHER INFORMATION

1 LISTING

Application has been made by the Issuer (or on its behalf) for the Notes to be admitted to trading on the Regulated Market of the London Stock Exchange plc with effect from 3 April 2019 or as soon as practicable thereafter. No assurance can be given that such listing and admission to trading will be obtained on such date, or, if obtained, that it will be maintained.

2 RATINGS

The Issuer and/or its debt obligations have been assigned an AAA credit rating from Standard & Poor's Credit Market Services Europe Limited ("**S&P**"), an Aaa credit rating from Moody's Investors Service Limited ("**Moody's**") and an AAA credit rating from Fitch France S.A. ("**Fitch**"). As defined by S&P, an "AAA" rating means that the ability of the Issuer to meet its financial commitment on its obligations is extremely strong. As defined by Moody's, an "Aaa" rating means that the Issuer's ability to meet its financial obligations is judged to be of the highest quality, with minimal credit risk. As defined by Fitch, an "AAA" rating denotes the lowest expectation of credit risk and means that the Issuer has an exceptionally strong capacity for timely payment of its financial commitments.

3 INTERESTS OF NATURAL AND LEGAL PERSONS INVOLVED IN THE ISSUE

Save as discussed in "Subscription and Sale" in the Offering Circular, so far as the Issuer is aware, no person involved in the offer of the Notes has an interest material to the offer

4 REASONS FOR THE OFFER, ESTIMATED NET PROCEEDS AND TOTAL EXPENSES

- | | |
|---------------------------------|--|
| (i) Reasons for the offer | The net proceeds of the issue of the Notes (which is expected to be ARS 647,835,500.00 but payable in USD in the amount of USD 14,824,610.98) will be included in the ordinary capital resources of the Issuer and used in its ordinary operations |
| (ii) Estimated net proceeds: | ARS 647,835,500.00 (USD equivalent: USD 14,824,610.98) |
| (iii) Estimated total expenses: | £10,000 |

5 YIELD

(i) Indication of yield: 50.5 per cent. per annum.

As set out above, the yield is calculated at the Issue Date on the basis of the Issue Price. It is not an indication of future yield.

ANNEX

Calculation of Fixed Interest Amount, Early Redemption Amount and Final Redemption Amount

The Early Redemption Amount and the Final Redemption Amount, as applicable, per Specified Denomination will be payable in USD on the Early Redemption Date (if any) or the Maturity Date, as applicable, and determined by the Calculation Agent as follows, on the corresponding Valuation Date:

In the case of the Early Redemption Amount:

Early Redemption Amount per Specified Denomination *divided by* the ARS Reference Rate

In the case of the Final Redemption Amount:

100 per cent. of the Specified Denomination *divided by* the ARS Reference Rate

The Fixed Interest Amount per Specified Denomination will be payable in USD on the relevant Fixed Interest Date and determined by the Calculation Agent as follows, on the corresponding Valuation Date:

ARS 10,000 *divided by* the ARS Reference Rate

Provided that, in each case, the resultant amount shall be rounded to the nearest USD cent (with USD 0.05 being rounded up).

The Calculation Agent shall notify the Issuer, the Agent and the Noteholders of its determination as soon as reasonably practicable after such determination (but in no event later than the Business Day immediately following the relevant Valuation Date) of the Early Redemption Amount (if any), the Final Redemption Amount and Fixed Interest Amount payable per Specified Denomination on the Early Redemption Date (if any) or the Maturity Date or the Fixed Interest Date, as applicable.

If the ARS Reference Rate is not available for any reason on Bloomberg page <ARS MAEM> <CURRENCY> or on any successor page or on the MAE website (www.mae.com.ar/mercados/forex/default.aspx) on a Valuation Date, the Calculation Agent shall determine that a price source disruption event (a "**Price Source Disruption Event**") has occurred, and shall promptly inform the Issuer and the Agent of such occurrence. Following the determination of the occurrence of a Price Source Disruption Event, Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of:

- (i) the day falling five Business Days after the day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists; and
- (ii) the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (as defined below) or the Postponed Early Redemption Date (as defined below), as the case may be.

If on the thirtieth day following determination of the occurrence of a Price Source Disruption Event the ARS Reference Rate (or successor pages) is still unavailable then the ARS Reference Rate shall be the average of such firm quotes (expressed as the number of ARS per one USD) from the Reference Dealers (as defined below) as the Calculation Agent is able to obtain for the sale of USD and the purchase of ARS at or about 3:00 p.m. Buenos Aires time on the applicable Valuation Date for settlement two Business days thereafter, provided, however, that if fewer than four (but at least two) Reference Dealers provide such firm quotes then the average of the quotes actually obtained shall apply.

If none, or only one, of the Reference Dealers provides such a firm quote the Calculation Agent will determine the ARS Reference Rate (or a method for determining the ARS Reference Rate) in good faith and in a commercially reasonable manner.

For the avoidance of doubt, if the Postponed Early Redemption Date, Postponed Fixed Interest Date or Postponed Maturity Date is not a Business Day, then such date (as applicable) shall occur on the next following Business Day.

For the purposes of these provisions:

"ARS Reference Rate" means in respect of a Valuation Date, the ARS/USD exchange rate in respect of such Valuation Date, expressed as the amount of ARS per one USD, determined by the Calculation Agent by reference to the ARS MAE or ARS05 each meaning the Argentine Peso/U.S. Dollar rate for U.S. Dollars, expressed as the amount of Argentine Pesos per one U.S. Dollar for settlement on the same day, as published both on Bloomberg page <ARS MAEM> <CURRENCY> (or any successor or replacement page to such page) and on the MAE website (www.mae.com.ar/mercados/forex/default.aspx) (or any successor or replacement page to such page) at approximately 3:00 p.m. (Buenos Aires time), or as soon thereafter as practicable, on such Valuation Date, provided that the ARS Reference Rate found on the MAE's website shall prevail in case of conflict with the ARS/USD rate appearing on Bloomberg page <ARS MAEM> <CURRENCY>;

"Business Day" means any day (other than Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in London, New York City and Buenos Aires, Argentina;

"Calculation Agent" means Morgan Stanley Capital Services LLC in accordance with the provisions of the Calculation Agency Agreement entered into between the Issuer and the Calculation Agent dated 19 October 2018 (as amended and/or supplemented from time to time). All references to the Calculation Agent shall include any successor or successors to Morgan Stanley Capital Services LLC. as Calculation Agent in respect of the Notes.;

"Early Redemption Date" means the date on which then Notes become due and payable;

"Postponed Early Redemption Date" means the thirtieth day following the originally scheduled Early Redemption Date, (if any);

"Postponed Fixed Interest Date" means the thirtieth day following the originally scheduled Fixed Interest Date;

"Postponed Maturity Date" means the thirtieth day following the originally scheduled Maturity Date;

"Reference Dealers" means four leading dealers, banks or banking corporations which regularly deal in the USD/ARS exchange market, as selected by the Calculation Agent in its sole discretion, acting in good faith and in a commercially reasonable manner; and

"Valuation Date" means in respect of the Maturity Date, the Fixed Interest Date, the Early Redemption Date, the Postponed Early Redemption Date, the Postponed Fixed Interest Date and the Postponed Maturity Date (if any), the date that is five Business Days prior to each such date, as applicable.
