

MiFID II product governance / Retail investors, professional investors and ECPs target market:

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, "**MiFID II**"); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "**manufacturer**" means the Dealer.

European Bank for Reconstruction and Development (the "**Issuer**") does not fall under the scope of application of MiFID II. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

ANNEX

Calculation of Fixed Interest Amount, Early Redemption Amount and Final Redemption Amount

The Early Redemption Amount and the Final Redemption Amount, as applicable, per Specified Denomination will be payable in USD on the Early Redemption Date (if any) or the Maturity Date (subject to disruption event provisions below), as applicable, and determined by the Calculation Agent as follows, on the corresponding Valuation Date:

Specified Denomination / ARS Reference Rate on the applicable Valuation Date rounded to the nearest USD 0.01 with USD 0.005 being rounded up

The Fixed Interest Amount per Specified Denomination will be payable in USD on the Fixed Interest Date (subject to disruption event provisions below) and determined by the Calculation Agent as follows, on the corresponding Valuation Date:

ARS 3,750 / ARS Reference Rate on the applicable Valuation Date rounded to the nearest USD 0.01 with USD 0.005 being rounded up

The Calculation Agent shall notify the Issuer, the Agent and the Noteholders of its determination of the Early Redemption Amount, the Final Redemption Amount and Fixed Interest Amount payable on the Early Redemption Date (if any) or the Maturity Date or the Fixed Interest Date (as applicable), as soon as practicable after such determination (but in no event later than four Business Days prior to the Early Redemption Date or Maturity Date and/or relevant Fixed Interest Date, as applicable).

If the ARS Reference Rate is not available for any reason on Bloomberg page <ARS MAEM> <CURRENCY> or on any successor page or on the website of the MAE (www.mae.com.ar/mercados/forex/default.aspx) on any Valuation Date, the Calculation Agent shall determine that a Price Source Disruption Event (a "**Price Source Disruption Event**") has occurred, and shall promptly inform the Issuer, the Noteholders and the Agent of such occurrence. Following the determination of the occurrence of a Price Source Disruption Event, Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of:

- (i) the day falling five Business Days after the day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists; and
- (ii) the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (as defined below) or the Postponed Early Redemption Date (as defined below), as the case may be.

If on the thirtieth day following determination of the occurrence of a Price Source Disruption Event the ARS Reference Rate (or successor pages) is still unavailable then the ARS Reference Rate shall be the average of such firm quotes (expressed as the number of ARS per one USD) from the Reference Dealers (as defined below) as the Calculation Agent is able to obtain for the sale of ARS and the purchase of USD at or about 3.00 p.m. Buenos Aires time on the applicable Valuation Date for settlement two New York Business days thereafter, provided, however, that if fewer than four (but at least two) Reference Dealers provide such firm quotes then the average of the quotes actually obtained shall apply.

If none, or only one, of the Reference Dealers provides such a firm quote the Calculation Agent will determine the ARS Reference Rate (or a method for determining the ARS Reference Rate) in good faith and in a commercially reasonable manner.

For the avoidance of doubt, if the Postponed Early Redemption Date, Postponed Fixed Interest Date or Postponed Maturity Date is not a Business Day, then such date (as applicable) shall occur on the next following Business Day.

For the purposes of these provisions:

“ARS Reference Rate” means in respect of a Valuation Date, the ARS/USD exchange rate in respect of such Valuation Date, expressed as the amount of ARS per one USD, determined by the Calculation Agent by reference to the ARS MAE (ARS05). The **“ARS MAE”** or **“ARS 05”** each means that the ARS/USD exchange rate for a given date will be the Argentine Peso/U.S. Dollar Specified Rate for U.S. Dollars, for settlement in two New York Business Days, as published both on Bloomberg page <ARS MAEM> <CURRENCY> and on MAE website (www.mae.com.ar/mercados/forex/default.aspx) (or any successor or replacement page to such page) at approximately 3:00 p.m. (Buenos Aires time), or as soon thereafter as practicable, on such Valuation Date, provided that the ARS/USD exchange rate found on the MAE’s website shall prevail in case of conflict with the ARS/USD exchange rate appearing on Bloomberg page <ARS MAEM> <CURRENCY>;

“Business Day” means any day (other than Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the business centre(s) specified, or, if no business centre is specified, in London, New York City and Buenos Aires;

“Calculation Agent” means JPMorgan Chase Bank, N.A. in accordance with the provisions of the Calculation Agency Agreement entered into between the Issuer and the Calculation Agent dated 9 February 2007 (as amended and/or supplemented from time to time). All references to the Calculation Agent shall include any successor or successors to JPMorgan Chase Bank, N.A. as Calculation Agent in respect of the Notes;

“Early Redemption Date” means the date on which the Notes become due and payable pursuant to Condition 9;

“New York Business Day” means any day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in New York City;

“Postponed Early Redemption Date” means the thirtieth day following the originally scheduled Early Redemption Date, (if any);

“Postponed Fixed Interest Date” means the thirtieth day following the originally scheduled Fixed Interest Date;

“Postponed Maturity Date” means the thirtieth day following the originally scheduled Maturity Date;

“Reference Dealers” means four leading dealers, banks or banking corporations which regularly deal in the USD/ARS exchange market, as selected by the Calculation Agent in its sole discretion, acting in good faith and in a commercially reasonable manner; and

“Valuation Date” means in respect of the Maturity Date, the Early Redemption Date (if any) and/or the Fixed Interest Date, the date that is five Business Days prior to such date. If a Price Source Disruption Event occurs or otherwise subsists on such day, the Valuation Date shall be the earlier of (i) the Business Day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists and (ii) the day which is five (5) Business Days before the Postponed Maturity Date, the Postponed Fixed Interest Date or the Postponed Early Redemption Date as applicable.
