

MiFID II product governance / Retail investors, professional investors and ECPs target market:

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "manufacturer" means the Dealer.

European Bank for Reconstruction and Development (the "Issuer") does not fall under the scope of application of MiFID II. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

ANNEX

Calculation of Fixed Interest Amount, Early Redemption Amount and Final Redemption Amount

The Early Redemption Amount and the Final Redemption Amount, as applicable, per Specified Denomination will be payable in USD on the Early Redemption Date (if any) or the Maturity Date, as applicable, and determined by the Calculation Agent as follows, on the corresponding Valuation Date:

In the case of the Early Redemption Amount:

Early Redemption Amount per Specified Denomination *divided by* the ARS Reference Rate

In the case of the Final Redemption Amount:

100 per cent. of the Specified Denomination *divided by* the ARS Reference Rate

The Fixed Interest Amount per Specified Denomination will be payable in USD on the relevant Fixed Interest Date and determined by the Calculation Agent as follows, on the corresponding Valuation Date:

ARS 7,545.21 *divided by* the ARS Reference Rate

Provided that, in each case, the resultant amount shall be rounded to the nearest whole USD (with USD 0.5 being rounded up).

The Calculation Agent shall notify the Issuer, the Agent and the Noteholders of its determination as soon as reasonably practicable after such determination (but in no event later than the Business Day immediately following the relevant Valuation Date) of the Early Redemption Amount, the Final Redemption Amount and Fixed Interest Amount payable per Specified Denomination on the Early Redemption Date (if any) or the Maturity Date or the Fixed Interest Date, as applicable.

If the ARS Reference Rate is not available for any reason on Bloomberg page <ARS MAEM> <CURRENCY> or on any successor page or on the MAE's website (www.mae.com.ar/mercados/forex/default.aspx) on a Valuation Date, the Calculation Agent shall determine that a price source disruption event (a "**Price Source Disruption Event**") has occurred, and shall promptly inform the Issuer and the Agent of such occurrence. Following the determination of the occurrence of a Price Source Disruption Event, Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of:

- (i) the day falling five Business Days after the day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists; and
- (ii) the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (as defined below) or the Postponed Early Redemption Date (as defined below), as the case may be.

If on the thirtieth day following determination of the occurrence of a Price Source Disruption Event the ARS Reference Rate (or successor pages) is still unavailable then the ARS Reference Rate shall be the average of such firm quotes (expressed as the number of ARS per one USD) from the Reference Dealers (as defined below) as the Calculation Agent is able to obtain for the sale of ARS and the purchase of USD at or about 1.00 p.m. Buenos Aires time on the applicable Valuation Date for settlement two Buenos Aires Business days thereafter, provided, however, that if fewer than four (but at least two) Reference Dealers provide such firm quotes then the average of the quotes actually obtained shall apply.

If none, or only one, of the Reference Dealers provides such a firm quote the Calculation Agent will determine the ARS Reference Rate (or a method for determining the ARS Reference Rate) in good faith and in a commercially reasonable manner.

For the avoidance of doubt, if the Postponed Early Redemption Date, Postponed Fixed Interest Date or Postponed Maturity Date is not a Business Day, then such date (as applicable) shall occur on the next following Business Day.

For the purposes of these provisions:

"ARS Reference Rate" means, in respect of a Valuation Date, the ARS/USD exchange rate in respect of such Valuation Date, expressed as the amount of ARS per one USD, determined by the Calculation Agent by reference to the ARS MAE or ARS05 each meaning the Argentine Peso/U.S. Dollar rate for U.S. Dollars, for settlement on the same day, as published both on Bloomberg page <ARS MAEM> <CURRENCY> (or any successor or replacement page to such page) and on the MAE's website (www.mae.com.ar/mercados/forex/default.aspx) (or any successor or replacement page to such page) at approximately 1:00 p.m. (Buenos Aires time), or as soon thereafter as practicable, on such Valuation Date, provided that the ARS Reference Rate found on the MAE's website shall prevail in case of conflict with the ARS/USD rate appearing on Bloomberg page <ARS MAEM> <CURRENCY>;

All references to the Calculation Agent shall include any successor or successors to The Toronto-Dominion Bank as Calculation Agent in respect of the Notes. The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent under the Notes and pursuant to the Calculation Agency Agreement shall (in the absence of manifest error) be final and binding on all parties (including, but not limited to, the Issuer and the Noteholders) and shall be made in its sole discretion in good faith and in a commercially reasonable manner in accordance with the Calculation Agency Agreement. In performing its duties under the Notes, the Calculation Agent shall act in accordance with the Calculation Agency Agreement;
