

MiFID II product governance / Retail investors, professional investors and ECPs target market:

Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "manufacturer" means each of the Joint Lead Managers.

European Bank for Reconstruction and Development (the "Issuer") does not fall under the scope of application of MiFID II. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

Annex A

The Rate of Interest for each Interest Period will, subject as provided below, be Compounded Daily SONIA plus the Margin.

“**Compounded Daily SONIA**” will be calculated by the Calculation Agent on the Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{\text{SONIA}_{i-5\text{LBD}} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

“**d**” is the number of calendar days in the relevant Interest Period;

“**d_o**” is the number of London Banking Days in the relevant Interest Period;

“**i**” is a series of whole numbers from one to **d_o**, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in the relevant Interest Period;

“**London Banking Day**” or “**LBD**” means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

“**n_i**” for any day “**i**”, means the number of calendar days from and including such day “**i**” up to but excluding the following London Banking Day;

“**Reference Period**” means the period from and including the date falling five London Banking Days prior to the first day of the relevant Interest Period (and the first Interest Period shall begin on and include the Interest Commencement Date) and ending on, but excluding, the date falling five London Banking Days prior to the Interest Payment Date for such Interest Period (or the date falling five London Banking Days prior to such earlier date, if any, on which the Notes become due and payable);

the “**SONIA reference rate**”, in respect of any London Banking Day, is a reference rate equal to the daily Sterling Overnight Index Average (“**SONIA**”) rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors (on the London Banking Day immediately following such London Banking Day); and

“**SONIA_{i-5LBD}**” means, in respect of any London Banking Day falling in the relevant Reference Period, the SONIA reference rate for the London Banking Day falling five London Banking Days prior to the relevant London Banking Day “**i**”.

For the avoidance of doubt, in defining Compounded Daily SONIA as above, it should be noted that the formula for the calculation of Compounded Daily SONIA only compounds the SONIA reference rate in respect of any London Banking Day. The SONIA reference rate

applied to a day that is a non-London Banking Day will be taken by applying the SONIA reference rate for the previous London Banking Day but without compounding.

If, in respect of any London Banking Day in the relevant Reference Period, the Calculation Agent determines that the SONIA reference rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such SONIA reference rate shall be:

- (a) (i) the Bank of England's Bank Rate (the **Bank Rate**) prevailing at close of business on the relevant London Banking Day; plus (ii) the mean of the spread of the SONIA reference rate to the Bank Rate over the previous five days on which a SONIA reference rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate; or
- (b) if the Bank Rate is not published by the Bank of England at close of business on the relevant London Banking Day, the SONIA reference rate published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) for the first preceding London Banking Day on which the SONIA reference rate was published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors).

Notwithstanding the paragraphs above, if the Bank of England publishes guidance as to (i) how the SONIA reference rate is to be determined or (ii) any rate that is to replace the SONIA reference rate, the Calculation Agent shall, to the extent that it is reasonably practicable, follow such guidance in order to determine SONIA for the purpose of the Notes for so long as the SONIA reference rate is not available or has not been published by the authorised distributors.

If the SONIA reference rate ceases to exist and the Calculation Agent determines that there is no industry accepted successor base rate for debt market instruments linked to the SONIA reference rate, and that no substitute or other successor base rate is comparable to the SONIA reference rate, the Rate of Interest will be determined by the Calculation Agent (as specified in this Pricing Supplement) in its sole discretion and acting in good faith and in a commercially reasonable manner.

If the Notes become due and payable in accordance with Condition 9, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the Pricing Supplement, be deemed to be the date on which the Notes became due and payable and the Rate of Interest on the Notes shall, for so long as the Notes remain outstanding, be that determined on such date.

Annex B

Subject as provided herein and unless there is something in the subject matter or context inconsistent therewith, all words and expressions defined in the Offering Circular shall have the same meanings in this Annex B.

For the purpose of the Notes only, the Conditions are amended as follows:

- 1 The fourth paragraph of Condition 1 (*Form, Denomination, Title and Transfer*) shall be deleted and replaced with:

“A Global Note in registered form (a “**Registered Global Note**”) may (i) in the case of a Registered Global Note that is not held under the New Safe Keeping Structure (the “**NSS**”), be transferred, in whole, to another nominee for The Depository Trust Company or other common depository for Euroclear and Clearstream, Luxembourg or such other clearing system and common depository or person as may be specified in the applicable Pricing Supplement or otherwise as may be specified separately in the applicable Pricing Supplement and (ii) in the case of a Registered Global Note that is held under the NSS, be transferred, in whole, to another common safekeeper for Euroclear and Clearstream, Luxembourg, by the registered holder depositing the Registered Global Note at the specified office of the Registrar with the form of transfer attached thereto duly completed and signed by or on behalf of the transferor, upon payment of any applicable taxes or other governmental charges and upon the Registrar, after due and careful enquiry, being satisfied with the title and identity of the person making the request and subject to such other reasonable regulations as the Issuer and the Registrar may prescribe, all as described in the Agency Agreement. Subject as provided above, the Registrar will, within three business days (being days when banks are open for business in the city where the Registrar is located) of such deposit (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), deliver a new Registered Global Note at its specified office to and in the name of the transferee. Notwithstanding the above provisions the holder of a Registered Global Note may not require the transfer of a Registered Global Note to be registered during the period of 15 days ending on the due date for any payment of principal or interest on the Registered Global Note.”

- 2 The second and third paragraphs of Condition 6(c) (*Payments in respect of Global Notes*) shall be deleted and replaced with:

“All payments in respect of Notes represented by a Registered Global Note will be made to, or to the order of, the person whose name is entered on the Register at the close of business on the record date which shall be on the Clearing System Business Day immediately prior to the date for payment, where “**Clearing System Business Day**” means Monday to Friday inclusive except 25 December and 1 January.

The Paying Agent to which a Registered Global Note that is not held under the NSS or a Global Note that is not in new global note (“NGN”) form is presented shall make a record of each payment made on such Global Note, distinguishing between any payment of principal and any payment of interest, on such Global Note and such record shall be prima facie evidence that the payment in question has been made. The Issuer shall, in the case of a Global Note that is in NGN form or Registered Global Note that is held under the NSS, procure that details of each payment, distinguishing between any payment of principal and any payment of interest, on such Global Note be entered pro rata in the records of the relevant clearing system and

each payment so made will discharge the Issuer's obligations in respect thereof and any failure to make the entries in the records of the relevant clearing system shall not affect such discharge. For the purpose of any payments made in respect of a Global Note, the relevant place of presentation shall be disregarded in the definition of "business day" set out in Condition 6(e)."

- 3** The first paragraph of Condition 12 (*Meetings of Noteholders and Modification*) shall be deleted and replaced with:

"The Agency Agreement contains provisions for convening meetings of Noteholders to consider matters affecting their interests, including modifications by Extraordinary Resolution of the terms and conditions of the Notes. The quorum for any meeting convened to consider a resolution proposed as an Extraordinary Resolution shall be one or more persons holding or representing a majority in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes for the time being outstanding so held or represented, except that at any meeting, the business of which includes, inter alia, (i) modification of the Maturity Date of the Notes or reduction or cancellation of the nominal amount payable or the assets deliverable upon maturity; (ii) reduction of the amount payable or modification of the payment date in respect of any interest in respect of the Notes or variation of the method of calculating the rate of interest in respect of the Notes; (iii) reduction of any Minimum Rate of Interest and/or Maximum Rate of Interest; (iv) modification of the currency in which payments under the Notes and/or the Coupons appertaining thereto are to be made; (v) modification of the majority required to pass an Extraordinary Resolution; or (vi) modification of the provisions of the Agency Agreement concerning this exception, the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than three-quarters, or at any adjourned such meeting not less than a majority, of the nominal amount of the Notes for the time being outstanding. A resolution in writing signed by or on behalf of persons holding directly, or, in relation to Notes held in global form, by (i) in the case of a Global Note that is in NGN form or a Registered Global Note that is held under the NSS, by or on behalf of the common safekeeper for Euroclear and Clearstream, Luxembourg; or (ii) in any other case, the relevant common depository or nominee of the applicable clearing system (in accordance with the rules and procedures of that applicable clearing system), holding, not less than 90 per cent. in principal amount of the Notes for the time being outstanding shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of the Noteholders duly convened and held in accordance with the provisions contained in the Agency Agreement. Any such Resolution will be binding on all Noteholders (whether or not they are present at any meeting) and on all Receiptholders and Couponholders relating to the relevant Notes."
