

MiFID II product governance / Professional investors and ECPs target market:

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "manufacturer" means the Managers.

European Bank for Reconstruction and Development (the "Issuer") does not fall under the scope of application of MiFID II. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

Calculation of Fixed Interest Amount, Early Redemption Amount and Final Redemption Amount

The Early Redemption Amount or Final Redemption Amount, as applicable, per Specified Denomination will be payable in USD on the Maturity Date or Early Redemption Date (if any), as applicable, and determined by the Calculation Agent as follows, on the corresponding Rate Fixing Date:

Specified Denomination x (1/Reference Rate on the applicable Rate Fixing Date) rounded to the nearest USD with USD 0.5 being rounded up

The Fixed Interest Amount per Specified Denomination will be payable in USD on each Fixed Interest Date or Postponed Fixed Interest Date as applicable and determined by the Calculation Agent as follows, on the corresponding Rate Fixing Date:

Specified Denomination x Fixed Rate of Interest x (1/Reference Rate on the applicable Rate Fixing Date) x Day Count Fraction rounded to the nearest USD with USD 0.5 being rounded up

The Calculation Agent shall notify the Issuer, the Agent and the Noteholders of its determination of the Final Redemption Amount, Early Redemption Amount and Fixed Interest Amount payable per Specified Denomination on the Maturity Date, Early Redemption Date or relevant Fixed Interest Date (as applicable), as soon as practicable after such determination (but in no event later than the Business Day immediately following the relevant Rate Fixing Date).
