

**MiFID II product governance / Retail investors, professional investors and ECPs target market:**

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in MiFID II; and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a distributor) should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "**manufacturer**" means the Dealer.

European Bank for Reconstruction and Development (the "**Issuer**") does not fall under the scope of application of MiFID II. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

(i) Investment considerations: Russian Rouble Exchange Risk

The Notes are denominated in Russian Rouble. Currency exchange rates may be volatile and, in certain circumstances, may affect the return to the holder of the Notes. The Government of the Russian Federation can from time to time intervene in the foreign exchange market. These interventions or other governmental actions could adversely affect the value of the Notes in U.S. Dollars, as well as the actual yield (in U.S. Dollar terms) on the Notes and the amount payable at maturity. Even in the absence of governmental action directly affecting currency exchange rates, political or economic developments in the Russian Federation or elsewhere could lead to significant and sudden changes in the exchange rate between the Russian Rouble and the U.S. Dollar.

**Notes are Not Liquid Instruments**

The Notes are not actively traded in any financial market and there may exist at times only limited markets for the Notes resulting in low or non-existent volumes of trading in the Notes and such obligations, and therefore a lack of liquidity and price volatility of the Notes and such obligations.

## ANNEX A

### Calculation of Fixed Interest Amount, Early Redemption Amount and Final Redemption Amount on the occurrence of a Settlement Disruption Event

All payments in respect of the Notes will be made in RUB, subject to the occurrence of a Settlement Disruption Event (as defined below) and will in all cases be subject to any fiscal or other laws applicable thereto.

If the Calculation Agent (as defined below) determines (in its sole discretion acting in good faith and in a commercially reasonable manner) that a Settlement Disruption Event has occurred or is subsisting during the Determination Period (as defined below):

- A. The Calculation Agent shall notify the Issuer and the Agent of its determination as soon as practicable after making such determination (but in no event later than 8.00 a.m. London time one (1) Business Day after the last day of the Determination Period) whereupon the Agent shall as soon as practicable thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes), and
- B. Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of (i) the day falling two Business Days after the day on which the Issuer is notified by the Calculation Agent that a Settlement Disruption Event no longer subsists and (ii) the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (as defined below), or the Postponed Early Redemption Date (as defined below), as the case may be.

If a Settlement Disruption Event no longer subsists, the Calculation Agent shall notify the Issuer and the Agent thereof as soon as practicable on or after the Business Day on which the Settlement Disruption Event no longer subsists (but in no event later than one (1) Business Day thereafter) whereupon the Agent shall as soon as practicable thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes).

If any amount is to be paid on a Postponed Fixed Interest Date, Postponed Maturity Date or Postponed Early Redemption Date (as the case may be), regardless of whether a Settlement Disruption Event is still subsisting at such time, payment shall be made in United States Dollars ("USD") and shall be calculated by the Calculation Agent (and promptly notified to the Agent and the Issuer (but in no event later than two Business Days before the Postponed Fixed Interest Date, Postponed Maturity Date or Postponed Early Redemption Date (as the case may be))) in an amount per Specified Denomination which shall be produced by the following provisions, such amount to be rounded to the nearest whole cent (with 0.5 cent being rounded upwards):

$$\text{[Relevant RUB Amount} \div \text{Exchange Rate]}$$

For the avoidance of doubt, no additional amounts shall be payable by the Issuer in respect of any delay in payment beyond the originally scheduled Fixed Interest Date, Maturity Date, or as the case may be, Early Redemption Date (in each case, as adjusted, if appropriate, in accordance with the Following Business Day Convention) to the Postponed Fixed Interest Date, Postponed Maturity Date or Postponed Early Redemption Date (as appropriate) because of the operation of the provisions of this Annex A.
