

MiFID II product governance / Retail investors, professional investors and ECPs target market - Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); each having (1) at least basic knowledge and/or experience with financial products, (2) the ability to bear losses resulting from interest rate changes and no capital loss bearing capacity if held to maturity, (3) a medium risk profile, (4) a return profile preservation, growth and/or income as investment objective and (5) a medium term investment horizon and (ii) all channels for distribution of the Notes are appropriate, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable. The target market assessment does not indicate that the Notes are incompatible with the needs, characteristics and objectives of any particular client. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "manufacturer" means the Dealer.

European Bank for Reconstruction and Development (the "Issuer") does not fall under the scope of application of MiFID II. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

All payments in respect of the Notes will be made in TRY, subject to the occurrence of a Settlement Disruption Event (as defined below) and will in all cases be subject to any fiscal or other laws applicable thereto.

If the Calculation Agent (as defined below) determines (in its sole discretion acting in good faith and in a commercially reasonable manner) that a Settlement Disruption Event has occurred or is subsisting during the Determination Period (as defined below):

A. The Calculation Agent shall notify the Issuer and the Agent of its determination as soon as practicable after making such determination (but in no event later than 8.00am London time one (1) Business Day after the last day of the Determination Period) whereupon the Agent shall as soon as practicable thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes), and

B. Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of (i) the day falling two Business Days after the day on which the Issuer is notified by the Calculation Agent that a Settlement Disruption Event no longer subsists and (ii) the Postponed Fixed Interest Date, the Postponed Maturity Date (as defined below), or the Postponed Early Redemption Date (as defined below), as the case may be.

If a Settlement Disruption Event no longer subsists, the Calculation Agent shall notify the Issuer and the Agent thereof as soon as practicable on or after the Business Day on which the Settlement Disruption Event no longer subsists (but in no event later than one (1) Business Day thereafter) whereupon the Agent shall as soon as practicable thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes).

If any amount is to be paid on a Postponed Fixed Interest Date, Postponed Maturity Date or Postponed Early Redemption Date (as the case may be), regardless of whether a Settlement Disruption Event is still subsisting at such time, payment shall be made in United States Dollars ("USD") and shall be calculated by the Calculation Agent (and promptly notified to the Agent and the Issuer (but in no event later than two Business Days before the Postponed Fixed Interest Date, Postponed Maturity Date or Postponed Early Redemption Date (as the case may be)) in an amount per Specified Denomination which shall be produced by the following provisions, such amount to be rounded to the nearest whole cent (with 0.5 cent being rounded upwards):

If the Calculation Agent determines (in its sole discretion acting in good faith and in a commercially reasonable manner) that a Settlement Disruption Event has occurred following a Determination Period and either prior to or on a Fixed Interest Date, Maturity Date or Early Redemption Date (as the case may be), then any amount payable shall be made in USD in accordance with the provisions set out above.
