

MiFID II product governance / Retail investors, professional investors and ECPs target market:

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in MiFID II; and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "manufacturer" means the Dealer and "MiFID II" means Directive 2014/65/EU of the European Parliament and of the Council on markets in financial instruments.

European Bank for Reconstruction and Development (the "Issuer") does not fall under the scope of application of MiFID II. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

8 PERFORMANCE OF RATES OF EXCHANGE AND EXPLANATION OF EFFECT ON VALUE OF INVESTMENT

Certain historical information in respect of the IDR/USD foreign exchange rate is set out in Annex B (Historical Data) hereto. In the circumstances described in Annex A hereto, the amount received by holders of the Notes may be affected by the IDR/USD foreign exchange rate. Information in respect of the IDR/USD foreign exchange rate can also be found on Bloomberg.

Annex A
Calculation of Fixed Interest Amount per Specified Denomination, Early Redemption Amount and Final Redemption Amount per Specified Denomination

(a) The Early Redemption Amount or Final Redemption Amount, as applicable, per Specified Denomination will be payable in USD on the Maturity Date or Early Redemption Date, as applicable, and determined by the Calculation Agent as follows, on the Rate Fixing Date:

Specified Denomination *divided by* the Reference Rate,

Provided that the resultant amount shall be rounded down to the nearest cent.

(b) The Fixed Interest Amount per Specified Denomination will be payable in USD and determined by the Calculation Agent as follows, on the applicable Rate Fixing Date:

IDR 730,000 *divided by* the Reference Rate,

Provided that the resultant amount shall be rounded down to the nearest cent.

The Calculation Agent shall notify the Issuer, the Agent and the Noteholders of its determination of the Final Redemption Amount, Early Redemption Amount and Fixed Interest Amount payable per Specified Denomination on the Maturity Date, Early Redemption Date or relevant Fixed Interest Date (as applicable), as soon as practicable after such determination (but in no event later than the Business Day immediately following the relevant Rate Fixing Date).

If the Reference Rate is not available for any reason on Bloomberg Page: JISDOR Index or any successor page on any Rate Fixing Date, the Calculation Agent shall determine that a price source disruption event (a "Price Source Disruption Event") has occurred and shall promptly inform the Issuer and Agent of such occurrence. Following the determination of the occurrence of a Price Source Disruption Event, Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of (i) the day falling five Business Days after the day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists and (ii) the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (as defined below), or the Postponed Early Redemption Date (as defined below), as the case may be.

If on the 10th Business Day following the determination of the occurrence of a Price Source Disruption Event, the Bloomberg Page: JISDOR Index (or successor page) is still unavailable then the IDR/USD Rate (the "IDR/USD Rate") shall be the arithmetic mean of such firm quotes (expressed as the number of IDR per one USD) from the Reference Dealers as the Calculation Agent is able to obtain for the sale of IDR and the purchase of USD at or about 11:30 a.m., Singapore time, on the applicable Rate Fixing Date for settlement two Singapore Business Days thereafter, provided however that if fewer than four (but at least two) Reference Dealers provide such firm quotes then the IDR/USD Rate shall be the arithmetic mean of the quotes actually obtained. If none, or only one, of the Reference Dealers provides such a firm quote, the relevant IDR/USD Rate shall be determined by the Calculation Agent in its discretion, acting in good faith and in a commercially reasonable manner.

For the purposes of these provisions:

"Business Day" means any day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Jakarta, Singapore, London and New York City;

“Reference Dealers” means four leading dealers, banks or banking corporations in the Singapore interbank market which regularly deal in the IDR/USD exchange market, selected by the Calculation Agent acting in good faith and in a commercially reasonable manner; and

“Reference Rate” means, in respect of a Rate Fixing Date, the IDR/USD spot rate at 11:00 a.m., Singapore time, expressed as the amount of IDR per one USD, for settlement in two Singapore Business Days, reported by Bank Indonesia, which appears on Bloomberg Page: JISDOR Index at approximately 11:00 a.m., Singapore time, on that Rate Fixing Date.
