

MiFID II product governance / Retail investors, professional investors and ECPs target market:

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "manufacturer" means the Dealer.

European Bank for Reconstruction and Development (the "Issuer") does not fall under the scope of application of MiFID II. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

Certain historical information in respect of the IDR/USD foreign exchange rate is set out in Annex B (Historical Data) hereto. Information in respect of the IDR/USD foreign exchange rate can also be found on Bloomberg.

Annex A

Calculation of Fixed Interest Amount, Early Redemption Amount and Final Redemption Amount

(a) The Early Redemption Amount or Final Redemption Amount, as applicable, per Specified Denomination will be payable in USD on the Maturity Date or Early Redemption Date, as applicable, and determined by the Calculation Agent as follows, on the Rate Fixing Date:

Specified Denomination *divided by* the Reference Rate,

Provided that the resultant amount shall be rounded down to the nearest cent.

(b) The Fixed Interest Amount per Specified Denomination will be payable in USD and determined by the Calculation Agent as follows, on the applicable Rate Fixing Date:

In case of the Fixed Interest Amount:

IDR925,000 *divided by* the Reference Rate,

Provided that the resultant amount shall be rounded down to the nearest cent.

The Calculation Agent shall notify the Issuer, the Agent and the Noteholders of its determination of the Final Redemption Amount, Early Redemption Amount and Fixed Interest Amount payable per Specified Denomination on the Maturity Date, Early Redemption Date or relevant Fixed Interest Date (as applicable), as soon as practicable after such determination (but in no event later than the Business Day immediately following the relevant Rate Fixing Date).

If the Reference Rate is not available for any reason on Bloomberg Page: JISDOR Index or any successor page on any Rate Fixing Date, the Calculation Agent shall determine that a price source disruption event (a “**Price Source Disruption Event**”) has occurred and shall promptly inform the Issuer and Agent of such occurrence. Following the determination of the occurrence of a Price Source Disruption Event, Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of (i) the day falling five Business Days after the day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists and (ii) the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (as defined below), or the Postponed Early Redemption Date (as defined below), as the case may be.

If on the 10th Business Day following the determination of the occurrence of a Price Source Disruption Event, the Bloomberg Page: JISDOR Index (or successor page) is still unavailable then the IDR/USD Rate (the “**IDR/USD Rate**”) shall be the arithmetic mean of such firm quotes (expressed as the number of IDR per one USD) from the Reference Dealers as the Calculation Agent is able to obtain for the sale of IDR and the purchase of USD at or about 11:30 a.m., Singapore time, on the applicable Rate Fixing Date for settlement two Singapore Business Days thereafter, provided however that if fewer than four (but at least two) Reference Dealers provide such firm quotes then the IDR/USD Rate shall be the arithmetic mean of the quotes actually obtained. If none, or only one, of the Reference Dealers provides such a firm quote, the relevant IDR/USD Rate shall be determined by the Calculation Agent in its discretion, acting in good faith and in a commercially reasonable manner.

For the purposes of these provisions:

“**Business Day**” means any day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Jakarta, Singapore, London and New York City;

“**Calculation Agent**” means The Toronto-Dominion Bank in accordance with the provisions of the Calculation Agency Agreement entered into between the Issuer and the Calculation Agent dated 22 August

2007 (as amended and/or supplemented from time to time). All references to the Calculation Agent shall include any successor or successors to The Toronto-Dominion Bank as Calculation Agent in respect of the Notes;

“Early Redemption Date” means the date on which the Notes become due and payable pursuant to Condition 9;

“Postponed Early Redemption Date” means the tenth Business Day following the Early Redemption Date (if any);

“Postponed Fixed Interest Date” means the tenth Business Day following the originally scheduled Fixed Interest Date;

“Postponed Maturity Date” means the tenth Business Day following the originally scheduled Maturity Date;

“Rate Fixing Date” means the date which is five Jakarta, Singapore, London and New York Business Days before the applicable Fixed Interest Date, Maturity Date or Early Redemption Date. If a Price Source Disruption Event occurs or otherwise subsists on such day, the Rate Fixing Date shall be the earlier of (i) the Business Day on which the Issuer is notified by the Calculation Agent that a Price Source Disruption Event no longer subsists and (ii) the day which is five Business Days before the applicable Postponed Early Redemption Date, Postponed Fixed Interest Date or Postponed Maturity Date, as the case may be;

“Reference Dealers” means four leading dealers, banks or banking corporations in the Singapore interbank market which regularly deal in the IDR/USD exchange market, selected by the Calculation Agent acting in good faith and in a commercially reasonable manner; and

“Reference Rate” means, in respect of a Rate Fixing Date, the IDR/USD spot rate at 11:00 a.m., Singapore time, expressed as the amount of IDR per one USD, for settlement in two Singapore Business Days, reported by Bank Indonesia, which appears on Bloomberg Page: JISDOR Index at approximately 11:00 a.m., Singapore time, on that Rate Fixing Date.
