

MiFID II product governance / Professional investors and ECPs only target market:

Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression "manufacturer" means the Dealer.

European Bank for Reconstruction and Development (the "Issuer") does not fall under the scope of application of MiFID II. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

(ii) Investment Considerations:

Uzbek Som Exchange Risk

The Final Redemption Amount, Early Redemption Amount (if applicable) and the Interest Amounts on the Notes are linked to Uzbek Som, the lawful currency of the Republic of Uzbekistan ("**UZS**"). Currency exchange rates may be volatile and will affect the return to the holder of the Notes. The Government of the Republic of Uzbekistan can from time to time intervene in the foreign exchange market. These interventions or other governmental actions could adversely affect the value of the Notes in USD, as well as the actual yield (in USD terms) on the Notes and the amounts payable on the Notes. Even in the absence of governmental action directly affecting currency exchange rates, political or economic developments in the Republic of Uzbekistan or elsewhere could lead to significant and sudden changes in the exchange rate between UZS and USD.

Notes are Not Liquid Instruments

There may exist at times only limited markets for the Notes resulting in low or non-existent volumes of trading in the Notes, and therefore a lack of liquidity and price volatility of the Notes.

Annex

Calculation of Interest Amount, Early Redemption Amount and Final Redemption Amount

The Final Redemption Amount per Specified Denomination will be payable in USD on the Maturity Date and will be determined by the Calculation Agent on the relevant Rate Fixing Date, as follows, rounded up to the nearest cent:

UZS 80,244,688 *divided by* the Exchange Reference Rate

The Early Redemption Amount per Specified Denomination will be payable in USD on the Early Redemption Date and will be determined by the Calculation Agent on the relevant Rate Fixing Date, as follows, rounded up to the nearest cent:

Reference UZS Amount *divided by* the Exchange Reference Rate

On each Fixed Interest Date, Noteholders will receive in respect of the relevant Fixed Interest Period, the following amounts in USD per Specified Denomination: (i) the Interest Amount, plus (ii) the USD equivalent of the Reference UZS Redemption Amount as determined by the Calculation Agent on the relevant Rate Fixing Date (the "**Amortising Amount**") (subject to the Disruption Event Provisions below) rounded up to the nearest cent. Such amount shall be calculated as follows:

- (i) (Fixed Rate of Interest x Reference UZS Amount x Fixed Day Count Fraction) *divided by* the Exchange Reference Rate; plus
- (ii) Reference UZS Redemption Amount *divided by* the Exchange Reference Rate.

As soon as possible on or after the corresponding Rate Fixing Date (but in no event later than the Business Day immediately following the Rate Fixing Date), the Calculation Agent shall notify the Agent and the Issuer of the relevant Exchange Reference Rate.

The Calculation Agent shall notify the Issuer, the Agent and the Noteholders of its determination of the Final Redemption Amount, the Early Redemption Amount, the Interest Amount and the Amortising Amount payable per Specified Denomination on the Maturity Date, Early Redemption Date or relevant Fixed Interest Date (as applicable), as soon as practicable after such determination (but in no event later than one Business Day prior to the Maturity Date, Early Redemption Date and/or relevant Fixed Interest Date, as applicable).

Disruption Event Provisions

If the Exchange Reference Rate is not available for any reason on the Central Bank of the Republic of Uzbekistan website and the Bloomberg page UZS CBUZ Curncy (or any successor page or source in respect of either them) on any Rate Fixing Date, then the Calculation Agent shall determine that a price source disruption event (a "**Price Source Disruption Event**") has occurred, and shall promptly on such Rate Fixing Date inform the Issuer, the Agent and the Noteholders of such occurrence. The Calculation Agent shall then determine the Exchange Reference Rate on the relevant Rate Fixing Date on the following basis:

- (i) USD/UZS Bloomberg close (CMPL) where "USD/UZS Bloomberg close (CMPL)" means the USD/UZS Bloomberg close mid-rate (Composite London), which is expressed as the amount of Uzbek Som per one United States Dollar, on that Rate Fixing Date, or if not available, then;
- (ii) The arithmetic mean of such firm quotes (expressed as the number of UZS per one USD) from four Reference Dealers as the Calculation Agent is able to obtain for the sale of UZS and the purchase of USD at or about 2.00 p.m. (Tashkent time) on the Rate Fixing Date,

for settlement on the next Business Day. If none, or only one, of the Reference Dealers provides such a firm quote, the relevant Exchange Reference Rate shall be;

- (iii) The relevant USD/UZS exchange rate as determined by the Calculation Agent in its discretion, acting in good faith and in a commercially reasonable manner.

For the purposes of this Annex:

“Calculation Agent” means ING Bank N.V. in accordance with the provisions of the Calculation Agency Agreement entered into between the Issuer and the Calculation Agent dated 1 April 1998 (as amended and/or supplemented from time to time). This information is also available on the Bloomberg page under ticker “UZS CBUZ Curncy”. In case of any discrepancy between the USD/UZS rate of exchange as published on the Bloomberg page and as published on the Central Bank of the Republic of Uzbekistan website (or on any successor page or source in respect of either them), the USD/UZS rate of exchange as published on the Central Bank of the Republic of Uzbekistan website (or its successor page) will prevail;

“Rate Fixing Date” means the date which is two Business Days prior to the applicable Fixed Interest Date, any Early Redemption Date or the Maturity Date; and

“Reference Dealers” means leading dealers, banks or banking corporations which regularly deal in the USD/UZS foreign exchange market, as selected by the Calculation Agent in its sole discretion, acting in good faith and in a commercially reasonable manner.
