40. Additional Information:

Risk Warning

There are significant risks associated with the Notes including, but not limited to exchange rate risk including price risk and liquidity risk. Investors should consult their own financial, legal, accounting and tax advisors about the risks associated with an investment in these Notes, the appropriate tools to analyse that investment, and the suitability of the investment in each investor’s particular circumstances. No investor should purchase the Notes unless that investor understands and has sufficient financial resources to bear the price, market liquidity, structure and other risks associated with an investment in these Notes (including, but not limited to, any political, economic and other factors which could affect the value of, and return on, the Notes).

Investors should be aware that the methodology for determining any foreign exchange rate may result in a fixed interest amount (payable pursuant to paragraph 16 herein), the Final Redemption Amount or any Early Redemption Amount (as the case may be) of the Notes being significantly less than anticipated or even zero. Investors should also be aware that a Fixed Interest Date, the Maturity Date and/or the date fixed for early redemption (if any) pursuant to Condition 5(d) of the Notes (the “Early Redemption Date”), as the case may be, may be postponed and that no additional amounts shall be payable by the Issuer in respect of any delay in payment resulting from such postponement, all as further described in this paragraph 40.

Settlement Disruption Event and Fallback Provisions

All payments in respect of the Notes will be made in MXN, subject to the occurrence of a Settlement Disruption Event (as defined below) and will in all cases be subject to any fiscal or other laws and regulations applicable thereto.

If the Calculation Agent (as defined below) determines (in its sole discretion acting in good faith and in a commercially reasonable manner) that a Settlement Disruption Event has occurred or is subsisting during the Determination Period (as defined below):

- A. The Calculation Agent shall notify the Issuer and the Agent of its determination as soon as practicable after making such determination (but in no event later than one (1) Business Day thereafter) whereupon the Agent shall as soon as practicable thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes), and
- B. Noteholders will not be entitled to any amounts in respect of the Notes until the earlier to occur of (i) the day falling two Business Days after the day on which the Issuer is notified by the Calculation Agent that a Settlement Disruption Event no longer subsists and (ii) the Postponed Fixed Interest Date (as defined below), the Postponed Maturity Date (as defined below), or the Postponed Early Redemption Date (as defined below), as the case may be.

If a Settlement Disruption Event no longer subsists, the Calculation Agent shall notify the Issuer and the Agent thereof as soon as practicable on or after the Business Day on which the Settlement Disruption Event no longer subsists (but in no event later than one (1) Business Day thereafter) whereupon the Agent shall as soon as practicable thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes).

If any amount is to be paid on a Postponed Fixed Interest Date, Postponed Maturity Date or Postponed Early Redemption Date (as the case may be), payment shall instead be made in United States Dollars (“USD”) and shall be calculated by the Calculation Agent (and promptly notified to the Agent (but in no event later than one Business Day before the Postponed Fixed Interest Date, Postponed Maturity Date or Postponed Early Redemption Date (as the case may be))) in an amount per Specified Denomination which shall be equal to the greater of zero and the amount produced by the following provisions, such amount to be rounded to the nearest whole cent (with 0.5 cent being rounded upwards):

[Relevant MXN Amount ÷ Exchange Rate]

For the avoidance of doubt, no additional amounts shall be payable by the Issuer in respect of any delay in payment resulting from the operation of the provisions of this paragraph 40.

For the purposes of these provisions:

“Business Day” means any day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in Mexico City, London, Tokyo and New York City;

“Calculation Agent” means JP Morgan Chase in accordance with the provisions of the Calculation Agency Agreement entered into between the Issuer and the Calculation Agent dated 3 September 2003 (as amended and/or supplemented from time to time). (All references to the Calculation Agent shall include any successor or successors to JP Morgan Chase as Calculation Agent in respect of the Notes). The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent under the Notes and pursuant to the Calculation Agency Agreement shall (in the absence of manifest error) be final and binding on all parties (including, but not limited to, the Issuer and the Noteholders) and shall be made in its sole discretion in good faith and in a commercially reasonable manner in accordance with the Calculation Agency Agreement. In performing its duties under the Notes, the Calculation Agent shall act in accordance with the Calculation Agency Agreement. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or its discretion under the Notes or the Calculation Agency Agreement including, without limitation, the giving of any notice by it to any person, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and neither the Calculation Agent nor the Issuer shall bear any liability in respect of, or consequent upon, any such delay, deferral or forbearance;

“Determination Period” for the purpose of this paragraph 40, means (i) in relation to any Fixed Interest Date, the period which falls between five and three Business Days (inclusive) preceding any relevant Fixed Interest Date; (ii) in relation to the Maturity Date, the period which falls between five and three Business Days (inclusive) preceding the Maturity Date; and (iii) in relation to any Early Redemption Date (as defined above), the period which falls between five and three Business Days (inclusive) preceding any Early Redemption Date, as the case may be.

“Exchange Rate” means the average of such firm quotes (expressed in MXN per 1 USD) as the Calculation Agent is able to obtain from the Reference Dealers (as defined below) for the sale of MXN and the purchase of USD, on the day falling two Business Days prior to the Postponed Fixed Interest Date, Postponed Early Redemption Date (if any) or the Postponed Maturity Date (as the case may be). The highest and lowest of such quotes will be disregarded and the arithmetic mean of the remaining quotations shall be the Exchange Rate, provided, however, that if fewer than four (but at least two) Reference Dealers provide such a firm quote then the average of the quotes actually obtained shall apply. If only one Reference Dealer provides a firm quote then such quote shall apply, and if no Reference Dealer provides such a firm quote, then the Calculation Agent, acting in good faith and in a commercially reasonable manner, shall establish the Exchange Rate in its sole discretion, which may result in an exchange rate of zero;

“Postponed Fixed Interest Date” means the tenth Business Day following the originally scheduled Fixed Interest Date;

“Postponed Early Redemption Date” means the tenth Business Day following the Early Redemption Date (if any).

“Postponed Maturity Date” means the tenth Business Day following the originally scheduled Maturity Date;

“Reference Dealers” means five leading dealers, banks or banking corporations, which deal in the MXN/USD exchange market, selected by the Calculation Agent in its sole discretion, acting in good faith and in a commercially reasonable manner;

“Relevant MXN Amount” means the MXN amount per Specified Denomination which would have been payable on the relevant date if the Settlement Disruption Event had not occurred; and

“Settlement Disruption Event” means, as determined by the Calculation Agent in its sole discretion, the imposition of laws or regulations by the Central Banking Authority or other legislative, governmental or regulatory authority of the United Mexican States which (a) require non-residents of the United Mexican States to obtain permission from such Central Banking Authority or other authority to obtain MXN, or (b) otherwise restrict a non-resident’s ability to obtain MXN or (c) otherwise regulate the purchase or holding of MXN such that costs are imposed in obtaining MXN which would not be imposed in the absence of such regulations, or (d) has the direct or indirect effect of hindering, limiting or restricting the transfer of MXN from the United Mexican States to recipients resident in another country.
