42. Additional Information: The provisions set out in Annex A shall apply to the Terms and Conditions in accordance herewith.
- (i) Investment considerations: Russian Rouble Exchange Risk
- The Notes are denominated in Russian Rouble. Currency exchange rates may be volatile and, in certain circumstances, may affect the return to the holder of the Notes. The Government of the Russian Federation can from time to time intervene in the foreign exchange market. These interventions or other governmental actions could adversely affect the value of the Notes in U.S. Dollars, as well as the actual yield (in U.S. Dollar terms) on the Notes and the amount payable at maturity. Even in the absence of governmental action directly affecting currency exchange rates, political or economic developments in the Russian Federation or elsewhere could lead to significant and sudden changes in the exchange rate between the Russian Rouble and the U.S. Dollar.
- Notes are Not Liquid Instruments
- The Notes are not actively traded in any financial market and there may exist at times only limited markets for the Notes resulting in low or non-existent volumes of trading in the Notes and such obligations, and therefore a lack of liquidity and price volatility of the Notes and such obligations.
43. Total Commissions: 1.875 per cent.

All payments in respect of the Notes will be made in RUB, subject to the occurrence of a Settlement Disruption Event (as defined below) and will in all cases be subject to any fiscal or other laws applicable thereto.

If the Calculation Agent (as defined below) determines (in its sole discretion acting in good faith and in a commercially reasonable manner) that a Settlement Disruption Event has occurred or is subsisting during the Determination Period (as defined below):

- A. The Calculation Agent shall notify the Issuer and the Agent of its determination as soon as practicable after making such determination (but in no event later than 8.00 a.m. London time one (1) Business Day after the last day of the Determination Period) whereupon the Agent shall as soon as practicable thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes), and

If a Settlement Disruption Event no longer subsists, the Calculation Agent shall notify the Issuer and the Agent thereof as soon as practicable on or after the Business Day on which the Settlement Disruption Event no longer subsists (but in no event later than one (1) Business Day thereafter) whereupon the Agent shall as soon as practicable thereafter (but in no event later than one (1) Business Day after receipt of the aforementioned notice from the Calculation Agent) notify the Noteholders thereof (in accordance with Condition 13 of the Notes).

The highest and lowest of such quotes will be disregarded and the arithmetic mean of the remaining quotations shall be the Exchange Rate, provided, however, that if fewer than four (but at least two) Reference Dealers provide such a firm quote then the average of the quotes actually obtained shall apply.
