Email

Is there a representative making this Complaint on behalf of the Complainant?

Yes

If yes, please provide the Name and Contact information of the Representative

Are you requesting that this Complaint be kept confidential?

No

If yes, please explain why you are requesting confidentiality

n/a

Please provide the name or a description of the EBRD Project at issue.

Bosnia and Herzegovina — Motorway Donja Gračanica - Klopée

Please describe the harm that has been caused or might be caused by the Project.

The Client (PC Motorways of the Federation of Bosnia and Herzegovina) decided not to construct noise barriers on bridges in communities Pehare, Gornje Crkvice, Talami contrary to Main Design and obligations according to Environmental and Social Action Plan for this project (item 4.6).

Have you contacted the EBRD to try to resolve the harm caused or expected to be caused by the Project?

Yes

If yes, please list when the contact was made, how and with whom

15.06.2020 by letter

Please also describe any response you may have received

No response

Have you contacted the Project Sponsor to try to resolve the harm caused or expected to be caused by the Project?

If yes, please list when the contact was made, how and with whom

15.06.2020 by letter

Please also describe any response you may have received.

No response

If you have not contacted the EBRD and/or Project Sponsor to try to resolve the harm or expected harm, please explain why.

n/a

If you believe the EBRD may have failed to comply with its own policies, please describe which EBRD policies.

Environmental and Social Action Plan

Please describe any other complaints you may have made to try to address the issue(s) at question (for example, court cases or complaints to other bodies).

n/a

Are you seeking a Compliance Review where the PCM would determine whether the EBRD has failed to comply with its Relevant Policies?

Are you seeking a Problem-solving Initiative where the PCM would help you to resolve a dispute or problem with the Project?

Yes

What results do you hope to achieve by submitting this Complaint to the IPAM?

Construction of noise barriers on bridges in communities Pehare, Gornje Crkvice, Talami according to Main Design and Environmental and Social Action Plan.
